

BATTLE CRY OF FREEDOM

THE AMERICAN CIVIL WAR

JAMES M. MCPHERSON

'Compellingly readable ... the best one-volume treatment of its subject I have ever come across. It may be the best ever published ... This is magic'

Hugh Brogan, The New York Times Book Review

Battle Cry Of Freedom The Civil War Era

James M. McPherson

Battle Cry Of Freedom The Civil War Era:

Battle Cry of Freedom James M. McPherson, 2003-12-11 Battle Cry of Freedom is the definitive one volume history of the Civil War. McPherson's fast paced narrative fully integrates the political, social and military events that crowded the two decades from the outbreak of one war in Mexico to the ending of another at Appomattox. Packed with drama and analytical insight, the book vividly recounts the momentous episodes that preceded the Civil War: the Dred Scott decision, the Lincoln-Douglas debates, John Brown's raid on Harper's Ferry, and then moves into a masterful chronicle of the war itself: the battles, the strategic maneuvering on both sides, the politics and the personalities.

Battle Cry of Freedom James M. McPherson, 2002 **Battle Cry of Freedom** James M. McPherson, 2005 **Battle Cry of Freedom**, 1988 **Battle cry of freedom** J. M. McPherson, 1993 The Illustrated Battle Cry of Freedom: The Civil War Era James M.

McPherson, 2003-11-06 Winner of the 1988 Pulitzer Prize for History and a New York Times Bestseller, *Battle Cry of Freedom* is universally recognized as the definitive account of the Civil War. It was hailed in *The New York Times* as historical writing of the highest order. *The Washington Post* called it the finest single volume on the war and its background. *And The Los Angeles Times* wrote that of the 50 000 books written on the Civil War, it is the finest compression of that national paroxysm ever fitted between two covers. Now available in a splendid new edition is *The Illustrated Battle Cry of Freedom*. Boasting some seven hundred pictures including a hundred and fifty color images and twenty four full color maps, here is the ultimate gift book for everyone interested in American history. McPherson has selected all the illustrations including rare contemporary photographs, period cartoons, etchings, woodcuts and paintings, carefully choosing those that best illuminate the narrative. More important, he has written extensive captions, some 35 000 words in all, virtually a book in themselves, many of which offer genuinely new information and interpretations that significantly enhance the text. The text itself, streamlined by McPherson, remains a fast paced narrative that brilliantly captures two decades of contentious American history from the Mexican War to Lee's surrender at Appomattox. The reader will find a truly masterful chronicle of the war itself: the battles, the strategic maneuvering on both sides, the politics and the personalities, as well as McPherson's thoughtful commentary on such matters as the slavery expansion issue in the 1850s, the origins of the Republican Party, the causes of secession, internal dissent and anti-war opposition in the North and the South, and the reasons for the Union's victory. A must have purchase for the legions of Civil War buffs, *The Illustrated Battle Cry of Freedom* is both a spectacularly beautiful volume and the definitive account of the most important conflict in our nation's history.

The Battle Cry of Freedom Harry Montgomery, The path to the Civil War was shaped by decades of growing tensions between the North and South. These tensions stemmed from deep ideological differences over slavery, state rights and the future of the nation. The institution of slavery was at the heart of these debates. In the South, the economy relied heavily on agriculture, especially cotton, which was farmed by enslaved people. The North, on the other hand, had a more industrial economy and was largely opposed to the expansion of slavery into new

territories These differences created an atmosphere of distrust as both regions feared that the other would impose its will on the nation One of the earliest signs of the division came with the Missouri Compromise of 1820 which was an attempt to balance the power between free and slave states The compromise allowed Missouri to enter the Union as a slave state while Maine entered as a free state preserving the balance It also established the 36 30 parallel as the dividing line between future free and slave territories However the Missouri Compromise was only a temporary solution and as the nation expanded westward the question of whether new states would permit slavery became more pressing In the 1850s the debate over slavery in the territories reached a boiling point The Compromise of 1850 was passed in an effort to calm tensions allowing California to join the Union as a free state and implementing a stricter Fugitive Slave Act that required citizens to assist in the capture of runaway slaves The compromise also allowed the residents of new territories to decide for themselves whether to permit slavery through a concept known as popular sovereignty This was seen as a way to avoid a direct confrontation between pro slavery and anti slavery factions but it only intensified the conflict

The Illustrated Battle Cry of Freedom : The Civil War Era James M. McPherson,James M. McPherson,2003-11-01 **The War That Forged a Nation** James M. McPherson,2015-02-12 James McPherson evokes the meaning and significance of the Civil War Crossroads of Freedom James M.

McPherson,2002-09-12 The Battle of Antietam fought on September 17 1862 was the bloodiest single day in American history with more than 6 000 soldiers killed four times the number lost on D Day and twice the number killed in the September 11th terrorist attacks In Crossroads of Freedom America s most eminent Civil War historian James M McPherson paints a masterful account of this pivotal battle the events that led up to it and its aftermath As McPherson shows by September 1862 the survival of the United States was in doubt The Union had suffered a string of defeats and Robert E Lee s army was in Maryland poised to threaten Washington The British government was openly talking of recognizing the Confederacy and brokering a peace between North and South Northern armies and voters were demoralized And Lincoln had shelved his proposed edict of emancipation months before waiting for a victory that had not come that some thought would never come Both Confederate and Union troops knew the war was at a crossroads that they were marching toward a decisive battle It came along the ridges and in the woods and cornfields between Antietam Creek and the Potomac River Valor misjudgment and astonishing coincidence all played a role in the outcome McPherson vividly describes a day of savage fighting in locales that became forever famous The Cornfield the Dunkard Church the West Woods and Bloody Lane Lee s battered army escaped to fight another day but Antietam was a critical victory for the Union It restored morale in the North and kept Lincoln s party in control of Congress It crushed Confederate hopes of British intervention And it freed Lincoln to deliver the Emancipation Proclamation which instantly changed the character of the war McPherson brilliantly weaves these strands of diplomatic political and military history into a compact swift moving narrative that shows why America s bloodiest day is indeed a turning point in our history

This Mighty Scourge James M. McPherson,2007-01-29 The Pulitzer Prize winning author of *Battle Cry of Freedom* and the *New York Times* bestseller *Crossroads of Freedom* among many other award winning books James M McPherson is America s preeminent Civil War historian Now in this collection of provocative and illuminating essays McPherson offers fresh insight into many of the most enduring questions about one of the defining moments in our nation s history McPherson sheds light on topics large and small from the average soldier s avid love of newspapers to the postwar creation of the mystique of a Lost Cause in the South Readers will find insightful pieces on such intriguing figures as Harriet Tubman John Brown Jesse James and William Tecumseh Sherman and on such vital issues as Confederate military strategy the failure of peace negotiations to end the war and the realities and myths of the Confederacy This *Mighty Scourge* includes several never before published essays pieces on General Robert E Lee s goals in the

Gettysburg campaign on Lincoln and Grant in the Vicksburg campaign and on Lincoln as Commander in Chief In that capacity Lincoln invented the concept of presidential war powers that are again at the center of controversy today All of the essays have been updated and revised to give the volume greater thematic coherence and continuity so that it can be read in sequence as an interpretive history of the war and its meaning for America and the world Combining the finest scholarship with luminous prose and packed with new information and fresh ideas this book brings together the most recent thinking by the nation's leading authority on the Civil War It will be must reading for everyone interested in the war and American history

Marching Toward Freedom James M. McPherson, 1968 A description of the many varied roles African Americans played in the American Civil War Battle cry of freedom James M. McPherson, 1984 **The Negro's Civil War** James M. McPherson, 2008-12-10 In this classic study Pulitzer Prize winning author James M. McPherson deftly narrates the experience of blacks former slaves and soldiers preachers visionaries doctors intellectuals and common people during the Civil War Drawing on contemporary journalism speeches books and letters he presents an eclectic chronicle of their fears and hopes as well as their essential contributions to their own freedom Through the words of these extraordinary participants both Northern and Southern McPherson captures African American responses to emancipation the shifting attitudes toward Lincoln and the life of black soldiers in the Union army Above all we are allowed to witness the dreams of a disenfranchised people eager to embrace the rights and the equality offered to them finally as citizens The Oxford History of the United States: Battle cry of freedom : the Civil War era , 1982 *Marching Toward Freedom* James M.

McPherson, 1994 Using a wide variety of primary sources examines the Afro Americans role in the contribution to the Union and Confederacy during the Civil War the resulting change in their position as citizens What They Fought For 1861-1865

James M. McPherson, 1995-03-01 From the Pulitzer Prize winning author of Battle Cry of Freedom an impressive scholarly tour de force and a lively highly accessible account of the sentiments of both Northern and Southern soldiers during the national trauma of the Civil War In Battle Cry Of Freedom James M. McPherson presented a fascinating concise general history of the defining American conflict With What They Fought For he focuses his considerable talents on what motivated the individual soldier to fight In an exceptional and highly original Civil War analysis McPherson draws on the letters and diaries of nearly one thousand Union and Confederate soldiers giving voice to the very men who risked their lives in the conflict His conclusion that most of them felt a keen sense of patriotic and ideological commitment counters the prevailing belief that Civil War soldiers had little or no idea of what they were fighting for In their letters home and their diaries neither of which were subject to censorship these men were able to comment in writing on a wide variety of issues connected with their war experience Their insights show how deeply felt and strongly held their convictions were and reveal far more careful thought on the ideological issues of the war than has previously been thought to be true Living only eighty years after the signing of the Declaration of Independence Civil War soldiers felt the legacy and responsibility entrusted to them by the

Founding Fathers to preserve fragile democracy be it through secession or union as something worth dying for In What They Fought For McPherson takes individual voices and places them in the great and terrible choir of a country divided against itself **Ordeal by Fire** James M. McPherson,James Keith Hogue,2009 Combining scholarship with interpretations based on teaching research and writing this text tells the story of the American Civil War and Reconstruction It describes the social economic political and ideological conflicts that led to a unique tragic and transitional event in American history

Battle Cry Of Freedom The Civil War Era Book Review: Unveiling the Power of Words

Battle Cry Of Freedom The Civil War Era Introduction

In todays digital age, the availability of Battle Cry Of Freedom The Civil War Era books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Battle Cry Of Freedom The Civil War Era books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Battle Cry Of Freedom The Civil War Era books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Battle Cry Of Freedom The Civil War Era versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Battle Cry Of Freedom The Civil War Era books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Battle Cry Of Freedom The Civil War Era books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Battle Cry Of Freedom The Civil War Era books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Battle Cry Of Freedom The Civil War Era books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Battle Cry Of Freedom The Civil War Era books and manuals for download and embark on your journey of knowledge?

FAQs About Battle Cry Of Freedom The Civil War Era Books

1. Where can I buy Battle Cry Of Freedom The Civil War Era books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
