American Literature An Encyclopedia for Students is an invaluable resource for students curious to know more about Asian

North American writers texts and the issues and drives that motivate their writing This volume collects in one place a

breadth of information about Asian American literary and cultural history as well as the authors and texts that best define it

A dozen contextual essays introduce fundamental elements or subcategories of Asian American literature expanding on social and literary concerns or tensions that are familiar and relevant Essays include the origins and development of the term Asian American overviews of Asian American and Asian Canadian social and literary histories essays on Asian American identity

gender issues and sexuality and discussions of Asian American rhetoric and children s literature More than 120 alphabetical

entries round out the volume and cover important Asian North American authors Historical information is presented in clear

and engaging ways and author entries emphasize biographical or textual details that are significant to contemporary young

adults Special attention has been given to pioneering authors from the late 19th century through the early 1970s and to

influential or well known contemporary authors especially those likely to be studied in high school or university classrooms

Asian American Literature Jinqi Ling, 2022-10-20 This book introduces Asian American literary studies by engaging the conditions contingencies and immediate and long term effects of its major debates Two rationales inform Ling s presentation of the field in this way first is a felt need to provide recognizable contours and trajectories for the evolution of Asian

American criticism as an ethnic specific minoritarian formation in the United States second is an imperative to historicize its

practices including polemics controversies and ideological ruptures as an ongoing negotiation undertaken by Asian American

critics for a more self conscious and more adequate representation of the field s interests These rationales are fully

contextualized in the book s Introduction and Conclusion The main body of this study is organized non chronologically into 8

chapters with each designed to reflect how the field has been energized by its demographic transformation its growing

intellectual heterogeneity its defining moments and its cross cutting relationship with the trends in other disciplines What

has emerged and been given prominence to in the surveys and discussions of this book then constitute the essential criticism of Asian American literary studies a discourse almost 5 decades in the making when examined retrospectively
