Here in one essential volume are the basics of wilderness survival. The most ancient and important skills preserved for generations are presented in a simple easy to use format with clear illustrations and instructions. A complete must have companion to the great outdoors. How to build natural shelters in plains, woods or deserts. How to get safe drinking water from plants, trees, the sun or Earth Herself. How to make fire without matches and maintain it in any weather. How to find, stalk, kill and prepare animals for food. The big four edible plants and hundreds of others useful for both nutrition and medicine. TOM BROWN'S FIELD GUIDES America's most popular nature reference books. Tom Brown's bestselling field guides are specially designed for both beginners and experienced explorers. Fully illustrated and comprehensive, each volume includes practical information, time tested nature skills and exciting new ways to rediscover the earth around us.

**Wilderness Survival Handbook** Michael Pewtherer, 2010-04-16 An essential guide to everything you need to stay sheltered, fed, healthy and safe in the backcountry. Organized around the six essentials of survival: shelter, water, food, fire, comfort and health, and navigation. Wilderness Survival Handbook covers 100 skills and techniques, including preserving, fire building, pit shelters, toolmaking, stoneboiling, cookery and trapping, and hunting animals with handmade tools and weapons. By mastering these skills, you will be able to survive with few tools or provisions in any wilderness setting, forest, plain, desert or tundra, in nearly any part of the world.

**The Wilderness Survival Guide** Joe O'Leary, 2012-01-01 A leading survival skills teacher offers a realistic guide to wilderness survival techniques and bushcraft so you can fend for yourself in any situation. In challenging situations, a survival mindset like being prepared, having confidence in your own abilities and being adaptable can be as much of a life saver as the most expensive equipment. Add to this Joe O'Leary's sound advice and knowledge of survival and bushcraft techniques, and you will have the confidence to tackle whatever comes your way. Written in clear, easy to follow text, The Wilderness Survival Guide focuses on the realities of using wilderness survival techniques not just in a genuine survival situation but also to enhance any outdoor experience from a hike in the country to camping in the wild. Here you'll learn how to use bushcraft tools to build a shelter and improvise equipment. Light a warming fire and keep it lit in bad conditions. Find safe water to drink. Hunt and forage for wild food and cook what you catch or find. With some practical experience and the techniques presented in this handy guide, you'll be able to fend for yourself in any situation.

people can make use of this survival guide. You might want to find edible plants or natural resources in the area or you might want to use less technology and unnatural items. You may simply wish to dedicate some time to the wild and get back to connecting with nature. Topics you'll find in this wilderness survival guide include Constructing a shelter, Navigation, Cooking, Tying knots, Fishing, Making a fire, Hunting, Filtering and collecting water, Trapping, Hygiene, Weaving and making cordage. And safety. All these things are done with natural materials found in the wild whenever possible. This wilderness survival guide talks about some of the rudimentary skills you can use and the natural supplies you can find anywhere in North America's wilderness. As you use these skills and learn more about the area's plants and animals, you can turn your day long hunting adventure into longer camping adventures in the woods. The best way to make use of the natural materials surrounding you is a big part of this survival guide. By finding and using the right materials, your effect on the environment can be kept to a minimum. This means that people who come after you will be able to make use of the same materials and have the same kinds of experiences when they go camping.
