Betrayal Of Due Process Betrayal Of Due Process:

Beyond the Betrayal Yoshito Kuromiya, 2022-01-24 *Beyond the Betrayal* is a lyrically written memoir by Yoshito Kuromiya 1923 2018 a Nisei member of the Fair Play Committee FPC which was organized at the Heart Mountain concentration camp The first book length account by a Nisei World War II draft resister this work presents an insider s perspective on the FPC and the infamous trial condemning its members efforts It offers not only a beautifully written account of an important moment in US history but also a rare acknowledgment of dissension within the resistance movement both between the young men who went to prison and their older leaders and also among the young men themselves Kuromiya s narrative is enriched by contributions from Frank Chin Eric L Muller and Lawson Fusao Inada Of the 300 Japanese Americans who resisted the military draft on the grounds that the US government had deprived them of their fundamental rights as US citizens Kuromiya alone has produced an autobiographical volume that explores the short and long term causes and consequences of this fateful wartime decision In his exquisitely written and powerfully documented testament he speaks truth to power making evident why he is eminently qualified to convey the plight of the Nisei draft resisters He perceptively reframes the wartime and postwar experiences of the larger Japanese American community commonly said to have suffered in the spirit of shikata ga nai enduring that which cannot be changed and emerged with dignity *Beyond the Betrayal* makes abundantly clear that the unjustly imprisoned Nisei could and did exercise their patriotism even when they refused to serve in the military in the name of civil liberties and social justice Kuromiya s account initially privately circulated only to family and friends is an invaluable and insightful addition to the Nikkei historical record

Betrayed Earl Ofari Hutchinson, 2019-03-13 In this timely and eye opening book noted political analyst and media commentator Dr Earl Ofari Hutchinson traces the root cause of the White House's failure to protect the rights of African Americans Drawing extensively from public and private presidential papers private correspondence personal interviews and national archive documents Hutchinson gives a rich historical account of the

racial philosophy policies and practices of successive presidents from Warren G Harding to Bill Clinton Franklin D Roosevelt is one example The popular view is that Roosevelt was a Mend to blacks because of his enactment of New Deal programs But he was also a prisoner of the biased racial thinking of his times He refused to actively support antilynching legislation and repeatedly carried political favor with racist southern Democrats Lyndon B Johnson is yet another example He is known as a champion of civil rights but Hutchinson details two crucial moments when Johnson shrank from using the full force of executive power to push Congress to enact new and tougher federal criminal civil rights statutes to punish racist violence In this book Hutchinson reveals that no American president has ever signed into law a federal antilynching bill despite a 50 year campaign by the NAACP for presidential and congressional action He documents how Nixon Reagan and Bush rolled back civil rights and affirmative action failed to fully enforce equal protection provisions of the Fourteenth Amendment against police abuse and racial violence encouraged conservative legal obstructionism and fueled the rise of a repressive domestic security state These actions in turn have reinforced institutionalized racism and continued the historical pattern of devaluing black lives in law and public policy Finally Hutchinson warns that the century old failure by the White House to enforce federal law to protect black lives still has dangerous consequences for American society
