## **Between Worlds Between Worlds:**

**Between Worlds** Frances E. Karttunen, 1994 Spanning the globe and the centuries Frances Karttunen tells the stories of sixteen men and women who served as interpreters and guides to conquerors missionaries explorers soldiers and anthropologists These interpreters acted as uncomfortable bridges between two worlds their own marginality the fact that they belonged to neither world suggests the complexity and tension between cultures meeting for the first time Some of the guides were literally dragged into their roles others volunteered The most famous ones were especially skilled at living in two worlds and surviving to recount their experiences Among outsiders the interpreters found protection sustenance recognition intellectual companionship and employment yet most of the interpreters ultimately suffered tragic fates *Between Worlds* addresses the broadest issues of cross cultural encounters imperialism and capitalism and gives them a human face

*Between Worlds* Rosabelle Boswell, 2022-03-11 Because of the climate crisis and declining ocean health humans are increasingly in a liminal space between this world and imaginary alien worlds to come The poems raise the issue of climate change by foregrounding the centrality beauty and significance of the ocean and of marine life to humanity They suggest that all species live between worlds between fantasy and reality dreaming and wakefulness intuition and consciousness water and air We need all worlds to survive Serendipitously the poems were composed between dusk and dawn They are both part thoughts and whole thoughts that come to inspire my ethnographic writing **Between Worlds , Worlds Between**
