**ERROR PROFOUND** Stella McMillan,2012-01-26 ERROR PROFOUND Book Five of Stella McMillan Series As Paula s story continues she seems to flit from one dimension to the other while attempting to appear normal in both settings There is only one certainty She is not the same person as she was before she stepped into the limousine on the Gold Coast in Australia en route to her birthday lunch Whether she is interacting with her Spirit guide Gerard or connecting with her husband Lachlan in another reality she is walking a fine line It is a balancing act and Paula is struggling to adjust to her new lifestyle

**Suspension** Stella McMillan,2014-01-14 When Paula left her home in Los Angeles in September 1999 to visit the Gold Coast in Australia she had no idea of the roller coaster ride on which she was about to embark or of the can of worms that she was about to open Thirteen years on from that fateful and tragic day she reviews all that was revealed to her and all that she has come to accept as Truth within the pages of SUSPENSION Between Two Realms the seventh book in the Stella McMillan Series This is a companion book to the two earlier trilogies and can be read alone or in conjunction with the other books of the series In the first trilogy Paula was involved in an accident that almost claimed her life During an out of body excursion she was the silent witness as she viewed a lifetime in nineteenth century Australia The people and events were oh so familiar to her In the second trilogy she reviewed an earlier period of her present life before she was forced to face the reality of her current situation While in a deep coma she was offered a definite choice Did she want to remain in physical form in this current lifetime Or did she wish to return on a permanent basis to the other realm which she had been visiting since the accident while being accompanied by her Spirit Guide This was her dilemma then as she fought for life in a hospital setting With her return to physical life she discovered that all that had been important to her previously was important no longer This was when Paula embarked on a journey of self discovery throughout the final two books of the second trilogy of this series It was here that she regressed to an earlier lifetime in eighteenth century Scotland As a result she came face to face with an undeniable fact which she did not wish to accept Her husband in the Victorian lifetime as well as her husband in the Scottish lifetime was the same man who was her husband today in the time frame of the twenty first century while living in their desert hideaway on the outskirts of Las Vegas in the United States of America She resolved to embark on the almost impossible task of bringing him along with her on this spiritual journey of discovery This was a daunting task with such a rational logical man Paula rose to the challenge During this time Paula visited regularly with her Spirit Guide in another realm that was vibrating at a fourth dimensional frequency She did so by crossing a suspension bridge that led to a coffee shop Here in the higher realm she had many in depth discussions with her Guide and patiently he explained many spiritual truths to her She accepted the challenge to record a set of Discourses from her Guide These covered many subjects relating to the state of play on Earth today as well as giving understanding and enlightenment on other spiritual issues and truths These inspired writings were given to her during her early morning meditation sessions Are these Discourses fact fiction

Brown,2014-03 In 2007 I began to be inspired to write inspirational messages from within I call it the God Force Divine Intelligence clearly speaking to me instructing teaching and clarifying our purpose the life we live and obstacles faced as we try to balance the inner self and external issues that affect us The messages are random nudging again and again that our battles are within As I began to journal these messages it was impressed upon me to share them with those are open to seeking the truth These messages I believe are given to inspire us to consciously take control of the choices and decisions we make which ultimately impacts the destiny we seek Thoughts words sentences and phrases are given to awaken a cautious sense of awareness of the space we occupy It has propelled me to be alert and sensitive in the way I interact with others while heightening my perception of our path in this expansive never ending universe The God Force speaks to all of us at our various levels of consciousness I believe that to hear clearly we need to be still cleansed open and free This book is about the gradual awakening of that consciousness within in it are inspirational thought that will begin to open a door to a wholesome way of thinking It begins to connect the dots in seeing our actions and the role we play in this big thing called life The writings are best described as divine intervention They continue to pour through the writer who in turn felt a clear obligation to share them with those of you who are open to exploring what this means The intent of this book is to have you use it as a reminder of your purpose or perhaps a meditation tool in channeling your thought process toward spiritual growth and enlightenment My hope is for you to be awakened to a deeper level of insight with the understanding that your existence is endless Use this book to vision your role and where you fit in this expansive spiritual equation Words expressed to aid you in facing challenges while embolden you to choose wisdom in your daily lives This being my first book bears a small part of what I have been given Thank you for reading the messages as I have received them They are released and presented to you in the format given with no changes to its intent or meaning The blessings and lessons are for everyone but they are for those who see it additional products produced by the writer such as greeting cards and posters can be accessed at [www.haliencards.com](http://www.haliencards.com)

**The Power of Awareness** Neville Goddard,2019-09-18 Before The Law of Attraction there was Neville Goddard and his message about changing reality through the power of the imagination The author of ten inspirational books Goddard was a popular speaker on metaphysical themes In his 1952 publication The Power of Awareness he voiced many of the ideas that are now in the mainstream of contemporary self help circles including the concept that your thoughts control your destiny and that in order to change your current physical state you must first change your mind His ten easy exercises help readers cultivate a positive attitude that makes all things possible This edition features another of Goddard s empowering titles Awakened Imagination in which the author expounds upon his belief that Christ is within each of us and can help us achieve our desires through imaginative effort Goddard illuminates his philosophy with quotations from Yeats Blake and the Bible as well as inspiring anecdotes of his personal experiences     **Awakening and Beyond** Colin Drake,2011-11-20 This book is a series of articles

written since the publication of the Author's second book *A Light Unto Your Self* It is the third in the trilogy which started with *Beyond the Separate Self* Each book deals with Awakening from the dream of being a separate object on the earth and each is written so as to stand alone not requiring the reader to have read the other works I really enjoyed the book *Anyone reading it should have no problem getting what awakening awareness and the function of the body mind are all about* And you provide lots of supportive text from traditional sources to back up your teachings Jerry Katz Thanks Colin for another fine dissertation you are speaking the unspeakable clearer and clearer Paul Bedson Fantastically well put So simple any one could get it Piers Mooreede As usual this is an exceptionally lucid and practical discussion of the ephemeral I and the changeless Reality which underlies all Well done Don Wolfe *Living the Paradox of Enlightenment* Thomas Razzeto, 2017-04

Your True Self Is the One Divine Awareness My most passionate teaching offers you the idea that you exist in the most fundamental way as pure awareness as the open capacity for experience We have all heard it said that you are not a human being having a spiritual experience but instead you are a spiritual being having a human experience While that shift in understanding is of course very important there is still a deeper wisdom In truth you are not a being of any kind physical or spiritual You are pure awareness And most importantly this awareness is the Divine Awareness the only reality that was not created This Divine Awareness is the source of all of creation and it is the only witness to it This is your true fundamental self and this Source Awareness is looking out of your eyes right now By fundamental self I mean what you are when stripped of everything that is not essential to what you really are Although you are fundamentally only pure formless transcendent Awareness through the mystery of creation you arise as the totality of created reality all form and you experience your life from the perspective of your own personal self In this way the One Self arises as all apparent selves This is how the One becomes the many The intuitive recognition of this is what creates tremendous love and compassion for everyOne You are inspired to engage in life in a wholesome unselfish way and to make the world a better place as seen from the perspective of our ordinary world The deep intuitive recognition of your True Self is one of the core aspects of enlightenment The other aspect is the ability to unselfishly flow in harmony with all that life brings forth This book will help you become more skillful in the art of love and acceptance and in doing so you will more easily experience a deep and lasting personal peace Yet you were not created just to sit still in a state of peaceful acceptance You are here to joyfully and fearlessly dive head first into your life in your own unique way Many of us have heard the phrase you create your own reality but this does not mean that the universe is your personal mail order catalog simply waiting for you to clearly make up your mind and place your order If you are open to a deeper understanding of that phrase then you are ready to make some real progress This is about removing blockages not pursuing specific outer circumstances When you release your limiting beliefs about yourself the world and how you fit into it you will be free to put your values of kindness and compassion spontaneously into action with an aliveness that cannot be matched So what do you think Are you inspired to learn more about the paradox

of enlightenment If so this book just might offer you the clarity you have been looking for Second Edition April 2017 revised November 2017
