Recognition Horst Bunke, Alfred Bruckstein, D Dori, 1995-06-29 The book is an extensive compilation of the papers presented at the IAPR International Workshop on Structural and Syntactic Pattern Recognition SSPR 94 It includes a preface by Professor Herbert Freeman who is the recipient of the IAPR King Sun Fu Award for 1994 The book is divided into four parts and covers state of the art topics related to a variety of aspects of pattern recognition

Multiword expressions at length and in depth Stella Markantonatou, Carlos Ramisch, Agata Savary, Veronika Vincze, 2018 The annual workshop on multiword expressions takes place since 2001 in conjunction with major computational linguistics conferences and attracts the attention of an ever growing community working on a variety of languages linguistic phenomena and related computational processing issues

MWE 2017 took place in Valencia Spain and represented a vibrant panorama of the current research landscape on the computational treatment of multiword expressions featuring many high quality submissions Furthermore MWE 2017 included the first shared task on multilingual identification of verbal multiword expressions The shared task with extended communal work has developed important multilingual resources and mobilised several research groups in computational linguistics worldwide This book contains extended versions of selected papers from the workshop Authors worked hard to include detailed explanations broader and deeper analyses and new exciting results which were thoroughly reviewed by an internationally renowned committee We hope that this distinctly joint effort will provide a meaningful and useful snapshot of the multilingual state of the art in multiword expressions modelling and processing and will be a point point of reference for future work
