Bunyan's The Pilgrim's Progress Christian Guides To The Classics:

Bunyan's the Pilgrim's Progress Leland Ryken, 2014 Leads readers through Bunyan's classic Christian allegory *The Pilgrim's Progress* with insights into the nature of faith, the reality of temptation and the glory of salvation. Part of the Christian Guides to the Classics series. [A Christian Guide to the Classics](#) Leland Ryken, 2015-08-17 Most people are familiar with the classics of Western literature but few have actually read them. Written to equip readers for a lifetime of learning, this beginner's guide to reading the classics by renowned literary scholar Leland Ryken answers basic questions readers often have, including: Why read the classics? and How do I read a classic? Offering a list of some of the best works from the last 2,000 years and time-tested tips for effectively engaging with them, this companion to Ryken's *Christian Guides to the Classics* series will give readers the tools they need to read, interact with, and enjoy some of history's greatest literature.

The Pilgrim's Progress John Bunyan, 2019-11-27 *The Pilgrim's Progress* is a famous story of man's progress through life in search of salvation and remains one of the most entertaining allegories of faith ever written. Set against realistic backdrops of town and country, the powerful drama of the pilgrim's trials and temptations follows him in his harrowing journey to the Celestial City. An enormously influential 17th-century classic, universally known for its simplicity, vigor, and beauty of language, *Pilgrim's Progress* is read with the greatest pleasure. George Whitefield, 1714-1770: "I find this book so full of matter that I can seldom go through more than a page or half a page at a time." John Newton, 1725-1807: "Next to the Bible, the book that I value most is *Pilgrim's Progress*. I believe I have read it through at least a hundred times. Prick him anywhere and you will find that his blood is the very essence of the Bible, flows from him." Charles H. Spurgeon, 1834-1892: "That tenderest and most theological of books is pulsating with life in every word." J. Gresham Machen, 1881-1937: "Often disguised as something that would help him, evil accompanies Christian on his journey to the Celestial City. As you walk with him, you'll begin to identify today's many religious pitfalls. These are presented by men such as Pliable who turns back at the Slough of Despond and Ignorance who believes he's a true follower of Christ when he's really only trusting in himself. Each character represented in this allegory is intentionally and profoundly accurate in its depiction of what we see all around us and unfortunately what we too often see in ourselves. But while Christian is injured and nearly killed, he eventually prevails to the end. So can you." *The Pilgrim's Progress Study Guide* Alan Vermilye, 2020-05-10 Designed to be used alongside *The Pilgrim's Progress*, *A Readable Modern Day Version of John Bunyan's Pilgrim's Progress* each chapter, sub-section, and study question examines Bunyan's allegorical narrative to tell his powerful presentation of what it means to follow the narrow way of Christian salvation.

A Brief Guide to Spiritual Classics James M. Russell,2016-05-19 This very readable brief guide examines a wide range of spiritual writing that can be read for enjoyment or inspiration including some books that come from beyond any religious tradition While written from within the Christian tradition and offering introductions to the writings of medieval mystics Quakers and modern evangelists both Protestant and Catholic it also looks at classics of secular spirituality and writings from different religious traditions Each book is explained to convey a brief idea of what each one has to offer the interested reader while a Speed Read for each book delivers a quick sense of what each writer is like to read and a highly compressed summary of the main points of the book in question This is an excellent reference to dip into but within sections such as Early Christian Classics Secular Texts Lives of Inspiration and Alternative Approaches the books are arranged chronologically revealing some interesting juxtapositions and connections between them
