## Burger King Bacon Cheeseburger:

Burger King ,      Brutally Honest Fast Food Reviews: The Best and Worst of Burger King, McDonald's, Taco Bell, and Other Drive-Thru Mainstays Hyperink Original,2012-07-25 Congratulations If you re a connoisseur of fast food consider this to be your fast food yearbook allowing you to look back at many of the salty fatty and or sugary menu items you may have passed through your digestive system but in a non artery clogging and non blood pressure raising way unless you re eating fast food while reading this There are dozens of reviews in this book mostly from fast food behemoths like McDonald s Subway and Taco Bell but there are also reviews from medium sized fast food chains like Jack in the Box and Dunkin Donuts and from smaller chains like Carl s Jr and Whataburger Most of the products reviewed can still be found on fast food menu boards or in the McDonald s McRib s case it comes back every so often for a limited time but some are buried in the discontinued fast food graveyard never to be consumed again These fast food reviews were originally posted on our blog The Impulsive Buy [theimpulsivebuy.com](http://theimpulsivebuy.com) which is one of the internet s premier websites for junk and fast food reviews Actually we re not 100 percent sure the last part of the previous sentence is true but our cumulative blood pressure and cholesterol levels make us feel like we are      *The Fast-food Guide* Michael F. Jacobson,Sarah Fritschner,1986 Analyzes the menus of 17 major fast food chain restaurants compiles charts of nutrition information and recommends the most healthful choices      *Adobe Indesign CS3* Erika Kendra,2008

## Food and Drink in American History

Andrew F. Smith,2013-10-28 This three volume encyclopedia on the history of American food and beverages serves as an ideal companion resource for social studies and American history courses covering topics ranging from early American Indian foods to mandatory nutrition information at fast food restaurants The expression you are what you eat certainly applies to Americans not just in terms of our physical health but also in the myriad ways that our taste preferences eating habits and food culture are intrinsically tied to our society and history This standout reference work comprises two volumes containing more than 600 alphabetically arranged historical entries on American foods and beverages as well as dozens of historical recipes for traditional American foods and a third volume of more than 120 primary source documents Never before has there been a reference work that coalesces this diverse range of information into a single set The entries in this set provide information that will transform any American history research project into an engaging learning experience Examples include explanations of how tuna fish became a staple food product for Americans how the canning industry emerged from the Civil War the difference between Americans and people of other countries in terms of what percentage of their income is spent on food and beverages and how taxation on beverages like tea rum and whisky set off important political rebellions in U S history      **Visualizing Nutrition** Mary B.
