Burger King Close To Me:

Life After You Magdalene Maveena,2023-09-23 *Life After You* is the life of a college girl who finally finds her true self after years of torment and living in the darkness thinking there s no point in being hopeful or to even have an ounce of positivity when she has years of bad experiences along with past trauma to deal with almost every single day of her life until Sometimes it s LOVE that makes up for the ups and downs in life **Do You Believe Is It Real or Fiction?** Scott

Chally,2014-08-08 This is a real life story You will read and get an in depth look of my childhood family my teen years the years I spent in the service running a business and all the good and bad in my life that I had clear up till I had lost it where I was put in the hospital and then diagnosed with bipolar affective disorder schizo affective disorder It all started forty days before Easter of 2006 having visions or insights into the Bible while making a new law for the people also having vibes and connections with spirits that allowed me to believe that the end of the world was upon us This true life story takes you on a journey which is believed to have come from God During the second part of the story I fight against evil or Satan himself which makes me believe that I may possibly be the Antichrist if I dont do the right thing in order to save the world I would tell people that Im the Chosen One Jesus Christ the Second Coming the Messiah the Son of God or even the Lamb of God
