## Burger King Gift Card:

**Burger King ,** *Homesick for Another World* Ottessa Moshfegh,2017-01-17 A New York Times Book Review Notable Book of 2017 An electrifying first collection from one of the most exciting short story writers of our time I can t recall the last time I laughed this hard at a book Simultaneously I m shocked and scandalized She s brilliant this young woman David Sedaris Ottessa Moshfegh s debut novel Eileen was one of the literary events of 2015 Garlanded with critical acclaim it was named a book of the year by The Washington Post and the San Francisco Chronicle nominated for a National Book Critics Circle Award short listed for the Man Booker Prize and won the PEN Hemingway Award for debut fiction But as many critics noted Moshfegh is particularly held in awe for her short stories Homesick for Another World is the rare case where an author s short story collection is if anything more anticipated than her novel And for good reason There s something eerily unsettling about Ottessa Moshfegh s stories something almost dangerous while also being delightful and even laugh out loud funny Her characters are all unsteady on their feet in one way or another they all yearn for connection and betterment though each in very different ways but they are often tripped up by their own baser impulses and existential insecurities Homesick for Another World is a master class in the varieties of self deception across the gamut of individuals representing the human condition But part of the unique quality of her voice the echt Moshfeghian experience is the way the grotesque and the outrageous are infused with tenderness and compassion Moshfegh is our Flannery O Connor and Homesick for Another World is her Everything That Rises Must Converge or A Good Man is Hard to Find The flesh is weak the timber is crooked people are cruel to each other and stupid and hurtful But beauty comes from strange sources And the dark energy surging through these stories is powerfully invigorating We re in the hands of an author with a big mind a big heart blazing chops and a political acuity that is needle sharp The needle hits the vein before we even feel the prick

**I Know What to Do, I Just Don't Do It** Sue Markovitch,2013-10-17 I KNOW WHAT TO DO I JUST DON T DO IT is for people who have spent a lifetime feeling bad about their body and every Monday is a torturous new attempt to change What s going on here We

know what to do we just don t do it The issue for us is deeper than any diet or program That is because not loving ourselves is a symptom of being disconnected from the truth and our true selves Sue takes us through the false beliefs that keep us stuck and replaces them with the truth about who we really are We are encouraged to get healthy for good not by finding the right diet program or other means of control but by making the radical shift from weight loss to worthiness
