

A person is riding a bicycle on a wooden pier that extends over a body of water. The pier is made of dark wooden posts and beams. In the background, there are mountains and a few small boats on the water. The sky is a mix of blue and orange, suggesting sunset or sunrise. A semi-transparent white box is overlaid on the center of the image, containing the title and author's name.

Burma A Journey Across Time:

Journey Across Time Susan Gillerman Boggs, 2022-07-29 *Journey Across Time* opens a window to life in South Asia which has changed vastly since Susan Gillerman Boggs began living there as a diplomat's wife in 1985. In a captivating first person narrative, Boggs takes the reader to remote places many now closed to visitors. She describes experiences both exotic and hilarious and adventures impossible to replicate. The author invites us to share the color and pageantry of festivals, religious rites and parades of caparisoned elephants. She ventured into the Himalayas on perilous roads and was welcomed into a remote land of former headhunters. She dined with royalty and danced with a maharaja, conversed with Mother Teresa, met President Clinton and appeared in a film starring Pierce Brosnan. She survived floods, political assassinations and window shattering bombs. She was bitten by a grouper in a coral lagoon, sneezed on by an elephant and cornered in a cul de sac by angry bulls. Back on the home front, the author chronicles the daily joys and frustrations of diplomatic life with its cast of senior officials, mughals, intellectuals and colorful characters. With verve and self-deprecating humor, she describes the tribulations of managing a diplomatic household and orchestrating official events despite personal dramas, logistic challenges and power outages. Join her in a truly remarkable *Journey Across Time* *Journey Through Time* Ralph R.

Bradley, 2009-11-27 This is a book about survival through the hard times and living life to the fullest during the good times. It is about adventures during the Great Depression, WWII, Mining and Prospecting in the 1950s and 60s in America and Mexico and lessons on how to deal with the obstacles that inevitably come your way. Practicing positive thinking is a common theme throughout these interesting stories before he even knew what it meant. During the Great Depression, there was a time when they had to split. His father died leaving 5 children and his wife to survive on their own. His mother had to take a job as a live-in housekeeper, his younger sister had to take a job as a live-in babysitter, his older sister got married and he was 16 years old and homeless. *Journey Through Time* is the true story of the life and times of Ralph R. Bradley from 1917 through 2008.

Burma: a Journey Across Time Matt Sims, 2015-10-04 Burma, also known as Myanmar, has held an allure for adventurous travelers since it was opened up to tourists after decades of isolation and oppression. During her 15 years spent under house arrest, Nobel Peace Prize Laureate Aung San Suu Kyi urged travelers to stay away but now urges them to come see this exotic and unique land for themselves and witness the changes that are taking place. But are the promises of reform by the military-backed government for real? Are the people of Burma finally free? And can their culture survive the onslaught of tourists and new development to come? Author and photographer Matt Sims travels across the length of Burma to find out. His journey by rail, river and road across the country from north to south has resulted in a new travel book rich in humor, history and keen observation. Includes photographs by the author.
