Burr A Novel Modern Library:

Burr Gore Vidal,1998 Burr is the opening volume in Gore Vidal s great fictional chronicle of American history each of which is being republished in the Modern Library Burr *American Emperor* David O. Stewart,2011-10-25 In this vivid and brilliant biography David Stewart describes Aaron Burr the third vice president as a daring and perhaps deluded figure who shook the nation s foundations in its earliest most vulnerable decades In 1805 the United States was not twenty years old an unformed infant The government consisted of a few hundred people The immense frontier swallowed up a tiny army of 3 300 soldiers Following the Louisiana Purchase no one even knew where the nation s western border lay Secessionist sentiment flared in New England and beyond the Appalachians Burr had challenged Jefferson his own running mate in the presidential election of 1800 Indicted for murder in the dueling death of Alexander Hamilton in 1804 he dreamt huge dreams He imagined an insurrection in New Orleans a private invasion of Spanish Mexico and Florida and a great empire rising on the Gulf of Mexico which would swell when America s western lands seceded from the Union For two years Burr pursued this audacious dream enlisting support from the General in Chief of the Army a paid agent of the Spanish king and from other western leaders including Andrew Jackson When the army chief double crossed Burr Jefferson finally roused himself and ordered Burr prosecuted for treason The trial featured the nation s finest lawyers before the greatest judge in our history Chief Justice John Marshall Jefferson s distant cousin and determined adversary It became a contest over the nation s identity Should individual rights be sacrificed to punish a political apostate who challenged the nation s very existence In a revealing reversal of political philosophies Jefferson championed government power over individual rights while Marshall shielded the nation s most notorious defendant By concealing evidence appealing to the rule of law and exploiting the weaknesses of the government s case Burr won his freedom Afterwards Burr left for Europe to pursue an equally outrageous scheme to liberate Spain s American colonies but finding no European sponsor he returned to America and lived to an unrepentant old age Stewart s vivid account of Burr s tumultuous life offers a rare and eye opening description of the brand new nation struggling to define itself *Gore Vidal* S. T.
