Bursaries In Namibia For 2014:

Kwame Bediako and African Christian Scholarship Sara J. Fretheim, 2018-04-17 In a departure from current theologically focused scholarship on Ghanaian theologian Kwame Bediako this book places him within the wider historical continuum of twentieth century Ghana and reads him as a leading Christian scholar within the African study of African religions The book traces a variety of influences and figures within this emerging African discourse in Ghana including aspects of missions and colonial history and the voices of poets politicians prophets and priests Locating Bediako within this complex twentieth century matrix this intellectual history draws upon his published and key unpublished works including his first masters and doctoral dissertations on N gritude literature an abiding influence on his later Christian thought and an essential foundation for interpreting this scholar This book also reads the Akrofi Christaller Institute of Theology Mission and Culture as text by Bediako revealing essential components of his intellectual and spiritual itinerary revealed in the Institute s community and curriculum This approach challenges narrowly focused theological scholarship on Bediako while highlighting critical methodological divisions between African Western confessional and non confessional approaches to the study of religion in Africa In doing so it highlights the rich complexity of this emerging African discourse and identifies Bediako as a pioneering African Christian intellectual within this wider field Mazarire: Exploring Economic Reintegration in Nami ,2023-04-13

This study draws from life histories to present constraints and possibilities that have shaped former SWAPO exiles economic reintegration in post colonial Namibia from 1989 through 2018 The book advances three arguments each of which pushes beyond existing scholarship on Namibia and or economic reintegration broadly **State of the Nation by the President of the Republic of Namibia, H.E. African Perspectives on Global Pandemics and the Challenges of Peace and Security Masake Pilisano Harris, Richard Obinna Iroanya, 2023-10-15 African Perspectives on Global Pandemics and the Challenges of Peace and Security by Masake Pilisano Harris and Richard Obinna Iroanya dissects the effects of pandemics in Africa and the possibilities for countering pandemic outbreaks in the future The contributors of this volume bring new perspectives on the legal and security challenges of pandemics covering political socio economic health security and legal facets of pandemics nationally and regionally This book discusses essential topics including securitization state behavior and actions during the COVID 19 pandemic public health and political measures during pandemics the amplification of the insecurities in African states the increase of crime and criminality related to pandemic challenges and the economic impacts that surround pandemic outbreaks Harris and Iroanya bring these thematic areas to light not only to comprehensively analyze countermeasures towards pandemics in Africa but also to encourage security policies that reflect the multidimensional nature of state authority and functions to tackle the next outbreak more affectively *Institutions and Democracy in Africa* Nic Cheeseman, 2018-02-22 Historically African political institutions such as constitutions legislatures and judiciaries have

been seen as weak and vulnerable to manipulation leading some to claim that the continent is institutionless. However, recent developments including the consolidation of presidential term limits in a number of countries demonstrate that this depiction is no longer tenable. By drawing attention to how institutions can shape the practice of politics, this book demonstrates that electoral commissions, economic regulations, and systems of land tenure are vital to our understanding of contemporary Africa. A series of cutting-edge contributions from leading scholars explain how the rules of the game shape political developments across the continent from Kenya to Nigeria and from Benin to South Africa. In chapters that cover bureaucracies, constitutions, elections, political parties, the police, and more, the authors argue that a new research agenda is required if we are to better understand the process of democratisation.

Soomaali Mi'yaa? Billan Omar, 2025-02-13 Soomaali Mi yaa invites you to explore what it means to be Somali in South Africa. This captivating ethnography is a deep dive into the heart of the Somali community in Cape Town, following a young Somali woman's journey of discovery as she grapples with her own sense of identity while uncovering the experiences of others. Through intimate conversations and insightful observations, Billan Omar reveals how this vibrant community navigates belonging in a dynamic and sometimes challenging context. She explores the intricate ways Somalino/Somaliness is constructed and maintained through cultural tools like clan ties, language, and faith, showcasing the diverse experiences of Somali migrants and refugees. Blending personal reflection with rigorous research, Soomaali Mi yaa offers a nuanced understanding of identity formation, the challenges of belonging in the diaspora, and the search for home in a globalised world. Somalis in Cape Town are nimble-footed, forever marked by their journeys and their Somalino travels with them. This book is a must-read for anyone interested in migration, culture, and the complexities of identity. Billan Omar has written a moving and well-observed ethnography of Somali life in Bellville. The book delves into what is retained and what is lost through migration and the fluidity and openness of Somali identity or Somalino in diasporic life. Matthew Wilhelm Solomon, PhD, Senior Lecturer, Department of Anthropology, University of the Witwatersrand, Johannesburg. An insightful exploration of Somali identity in Cape Town, this work elegantly builds upon literature while offering fresh reflexive insights. Drawing from auto-ethnographic methods, Billan Omar illuminates complex narratives of identity and belonging, significantly expanding connections and deepening understanding.
