**Money for Power** John P. Hunter III,2014-07-27 MONEY It is understandable that we all need money for survival purposes This is fine and dandy is acceptable in society but to purposely defraud other people to get possession of money is unacceptable no matter of any circumstance Politicians seem to hoard onto this conception that money is their GOD The more they posses the more they have power to control Politicians drug cartels gangs and let us not forget religion are aware of this fact The richer you are in society the better people will follow you supposedly The Elite in all societies of the world are equally guilty of this crime called murder on the unsuspecting citizens by depriving these citizens of certain FREEDOMS or plainly swindling them out of their hard earned money not included are the lazy incompetent people who devour the Welfare System dry not even trying to better themselves Murder is hidden by the non compliance of doing the right thing as it happens for prevention as well as protection This is where this book illustrates certain areas in our American past which contribute to the beginning of corruption Corruption is a way of dishonest living in order to remain on top or even to gain the top position Political separation of parties are a way of distracting the public s focus of what all politicians are involved in un constitutional biased prejudice and let us begin the Olympic Blame Game of each party is guilty but not me when in reality all are involved in a False Flag cover up of camouflaged deception to gain more wealth even if it includes a mass murder You will be amazed about certain people involved in this book which seemed honest but in reality are very wicked indeed This
