As the market becomes more glutted while the number of major publishing houses shrinks, writers need someone familiar with the publishing scene to shepherd their manuscript to the right person. To help writers acquire an agent, this book provides names and specialties for more than 700 individual agents around the United States and the world. The book also includes a growing number of UK agents as well as Australian agents and more than 90 pages of original articles on finding the best agent to represent your work and how to seal the deal. From editing your work to crafting a book proposal to making the most of your contract, Guide to Literary Agents will help writers deal with agents every step of the way. **The Non-runner's Book** Vic Ziegel, Lewis Grossberger, 1978. **Psychoneuroimmunology** Robert Ader, David L. Felton, Nicholas Cohen, 2001. Trail Mix Catherine A Rodgers, 2025-07-15 After all the years, all those

miles logged and all those footraces completed the author believes that her past accomplishments still offer little evidence that she is a runner What Cathy does admit is the one thing she says she's got going for her she continues to show up at the start And once you start what after all is one more step This is the story about the author showing up to run half marathons on all seven continents Showing up to support both of her daughters to do the same and becoming the very first mother daughter team to run half marathons on every continent Showing up to meet a challenge from one of her sisters that led to these life changing accomplishments For Cathy though arriving at the finish line merely put her at a new starting line What's next for this non runner **The Runner and the Path** Dean Ottati,2002 Running as the vehicle for enlightenment *Jim Fixx's Second Book of Running* James F.
