Young Entrepreneurs ,1999 The Entrepreneur in Youth Marilyn L. Kourilsky,William B. Walstad,Andrew Thomas,2007 The Entrepreneur in Youth offers one of the most comprehensive assessments to date of African American Latino and white high school students aspirations knowledge opinions and educational views related to entrepreneurship and philanthropy A key strength is its longitudinal approach to analysis and interpretations made possible by extensive surveys of over 11 000 respondents from high school youth and other groups including adults and business owners The key findings exhibit an extraordinarily high level of interest in entrepreneurship among youth as well as a strong desire to give back to their communities However they lack the knowledge and experience to achieve their aspirations The book s major recommendations and guidelines include challenges to education and other policymakers to expand and enhance opportunities to access entrepreneurship education and early entrepreneurship mentoring shadowing experiences especially for those who demand it the most African Americans and Latinos Meeting these challenges not only will contribute to economic growth and social reform initiatives but also will increase economic and social mobility and access to opportunity for a still largely untapped pool of future entrepreneurs This book will appeal to academics in entrepreneurship economics business and education as well as policymakers educators and business leaders *Entrepreneur* ,1994

Entrepreneurship Alison J. Morrison, 1998 This text looks at the reasons for cultural discrepancies in entrepreneurial behaviour giving a comprehensive understanding of these issues Case studies illustrate key factors relative to the experience of the practising entrepreneur *BK English* J. A. Senn, Carol Ann Skinner, 2001 Upstarts!: How GenY Entrepreneurs are Rocking the World of Business and 8 Ways You Can Profit from Their Success Donna Fenn, 2009-09-08 They're young they're brash they're smart and they're 77 million strong Generation Y is creating startups at an unprecedented rate and their approach to business is unlike anything you've seen The generation described by the media as spoiled entitled even narcissistic is proving these notions false every day Inspired by the rock star entrepreneurs of previous generations and driven by a burning desire to control their own destinies GenY is rewriting the entrepreneurial playbook one cool startup at a time Inc magazine writer Donna Fenn interviewed more than 150 young CEOs to learn what makes them tick While upstarts are motivated by similar aspirations of past generations their way of doing business is radically different and it's changing the way everyone must do business now Upstarts examines and analyzes this entrepreneurial revolution to reveal eight critical lessons every entrepreneur and marketer must learn Fenn describes a generation of entrepreneurs that is highly collaborative and team oriented It's quick and alert when it comes to new technologies It's hell bent on changing the world And it's totally impatient with outmoded business models The sooner you adapt to the new way of business the greater chance you have to grow and profit in the years ahead Upstarts provides key insight into Building collaborative tribes Deploying technology to your competitive advantage Disrupting the status quo Deconstructing the GenY market Generating branding buzz Adopting a social mission Inventing the workplace of the future Reinventing your company Misreading GenY companies could be the biggest business mistake you ever make This forward looking book serves both as a heads up to the far reaching changes coming your way and as a detailed guide to meeting the resulting challenges The upstarts are here to stay Are you
