

# Ingenious Women

**K.J. Kesselring, Matthew Neufeld**

## **Ingenious Women:**

**Ingenious Women** Deborah Jaffé, 2003 This delightfully illustrated book examines inventions and discoveries made by women beginning with the first patent application made in 1637 and ending with the outbreak of war in 1914 Lively accounts of the stories of the inventions are placed into the context in which their discoveries were made and the struggle they had to acquire patents and put their inventions into production In covering this previously obscure part of women s lives the practical way in which women have made an enormous contribution to social change and scientific advance is revealed

*Ingenious Women* ,2009      **Godey's Magazine** ,1896      **Godey's Lady's Book** ,1896      **Ladies of the Underworld** Netley Lucas,1927      **Biblical Women's Voices in Early Modern England** Michele Osherow,2016-12-14 Biblical Women s Voices in Early Modern England documents the extent to which portrayals of women writers rulers and leaders in the Hebrew Bible scripted the lives of women in early modern England Attending to a broad range of writing by Protestant men and women including John Donne Mary Sidney John Milton Rachel Speght and Aemilia Lanyer the author investigates how the cultural requirement for feminine silence informs early modern readings of biblical women s stories and furthermore how these biblical characters were used to counteract cultural constraints on women s speech Bringing to bear a commanding knowledge of Hebrew Scripture Michele Osherow presents a series of case studies on biblical heroines juxtaposing Old Testament stories with early modern writers and texts The case studies include an investigation of references to Miriam in Lady Mary Sidney s psalm translations an unpacking of comparisons between Deborah and Elizabeth I and importantly a consideration of the feminization of King David through analysis of his appropriation as a model for early modern women in writings by both male and female authors In deciphering the abundance of biblical characters citations and allusions in early modern texts Osherow simultaneously demonstrates how biblical stories of powerful women challenged the Renaissance notion that women should be silent and explores the complexities and contradictions surrounding early modern women their speech and their power      *Reckoning with History* K.J. Kesselring,Matthew Neufeld,2024-09-15 Bringing together essays on uses of history as both a practical activity and an approach to thinking about the present this collection explores ways in which people have reckoned with history in pasts both distant and near Reckoning with History begins by examining uses of the past in early modern Britain a period in which print religious reformation and political conflict transformed historical culture Later essays offer insights into personal popular professional and sometimes deeply political uses of the past in other times and places helping to contextualize our own moments in historical writing and to link the early and post modern periods Throughout contributors respond to the writings of Daniel Woolf whose scholarship illuminates the history of the historical discipline and the social circulation of the past Covering subjects such as early archival practices memories of historic plagues and the type of commemorations needed to revitalize liberal democracies Reckoning with History contextualizes the uses of the past today      **Ladies' Home Journal** ,1889      **Women's Writing and the Circulation of**

**Ideas** George Justice, Nathan Tinker, 2002-03-07 It was widely believed that women in Renaissance and early modern England either did not write or did not publish their work It has become clear that instead of using the emerging technology of print many women writers circulated their works by hand with friends copying and recopying poems plays and novels from each other or with the help of professional scribes Through manuscript publication women s writing reached wide audiences and was collected and admired by both men and women Women s Writing and the Circulation of Ideas contributes to the discovery and re evaluation of women writers by examining the writing and manuscript publication of key authors from 1550 to 1800 The collection s analysis of the range and meaning of women s writing and manuscript publication during the rise of the print industry alters our understanding of the history of the book and early modern British literature alike Cassier's Magazine ,1909 Women and Missions Lucia P. Towne,1934 Ingenious Women Anita Ganeri,2023 The Palgrave Macmillan Dictionary of Women's Biography J. Uglow, M. Hendry, 2005-03-08 The Palgrave Macmillan Dictionary of Women s Biography contains details of the lives of over 2100 women from all periods cultures and walks of life from queens to TV chefs engineers to stand up comics pilots to poisoners With subsections for further reading comprehensive subject index and a bibliographical survey this dictionary of women s biography is an invaluable reference source **The Women Novelists** Reginald Brimley Johnson,1919 **Technology, Commercialization and Gender** Pooran Wynarczyk, Marina Ranga, 2017-08-23 This book explores the gender dimension in technology commercialization through a collection of papers by internationally renowned scholars in the USA Mexico and Europe Technology Commercialization and Gender looks at various gender imbalances in this key innovation area and demonstrates that the construction of gendered identities within male dominated work environments such as technology commercialization is a complex and lengthy process often faced with institutional culture obstacles More gender awareness and openness along all stages of the innovation chain as well as more research and policy interventions are needed to ensure better use of highly skilled human capital in knowledge based economies around the globe Biomedical Entanglements Franziska A. Herbst, 2016-10-01 Biomedical Entanglements is an ethnographic study of the Giri people of Papua New Guinea focusing on the indigenous population s interaction with modern medicine In her fieldwork Franziska A Herbst follows the Giri people as they circulate within and around ethnographic sites that include a rural health center and an urban hospital The study bridges medical anthropology and global health exploring how the biomedical is imbued with social meaning and how biomedicine affects Giri ways of life Women's Periodicals and Print Culture in Britain, 1690-1820s Jennie Batchelor, 2017-12-04 No detailed description available for Women s Periodicals and Print Culture in Britain 1690 1820s **Women in the World** Lyn Reese, Jean Wilkinson, 1987 A truly useful reference or curriculum development tool THE BOOK REPORT Selection of books and authors was wonderful I would give this book a 4 star rating and highly recommend it to teachers at the Junior and Senior high level Catherine Ahmad Center for Middle Eastern Studies University of Texas at Austin Strongly recommended for collection development in both school and public
