Educational Assessment for the

Elementary and Middle School Classroom Gary D. Borich, Martin L. Tombari, 2004. Brief and practical this popular book focuses on what classroom assessments are and how to do them and bridges the gap between testing a learner's knowledge of particular information and measuring his or her ability to transfer knowledge and think strategically. Coverage encompasses all of the issues surrounding the use of classroom assessments: validity, reliability, bias, impact through targeted discussions that address everything prospective teachers need to know completely yet succinctly. The authors offer a comprehensive menu of techniques for assessing not only what learners know but also how they think, how they perform and how they apply what they know within authentic real world contexts. For individuals administering tests and implementing other

measurements tools for the assessment of students in elementary and middle schools Curriculum Leadership Allan A. Glatthorn,Floyd Boschee,Bruce M. Whitehead,2006 Finally a book for graduate students that deals with all aspects of curriculum The authors have done a masterful job in exploring a multi faceted complex subject with rich and current information and excellent interesting writing I enthusiastically endorse this book Robert Ferrera Notre Dame de Namur University It is rare to find a textbook that so closely matches the objectives of a course and the needs of the students who typically take that course Curriculum Leadership Development and Implementation does both extremely well Allen H Seed University of Memphis Curriculum Leadership Development and Implementation is a one of a kind resource written for educational leaders who want to successfully restructure and enhance curriculum in schools today This book provides a plethora of innovative and successful curriculum ideas including reflective case studies Keys to Leadership sections curriculum tips and Challenge sections with key issues and questions in every chapter Also interspersed throughout the book are tried and true strategies that arm administrators with innovative ideas on meeting state and national standards Rarely has there been a curriculum book that is so useful in today s changing educational scene This book will help every educational leader who wants to make a difference by Defining the concepts of curriculum Describing the contracting nature of curriculum components Analyzing the hidden curriculum Unfolding ways to develop and implement curriculum This is a much needed highly informative and easy to read account of curriculum development and change for curriculum leaders those teaching curriculum courses and those aspiring to become curriculum decision makers It will provide the knowledge and skills needed to develop and implement a primary or secondary school curriculum
