Rivermouth Alejandra Oliva, 2024-06-18 A 2023 Indie Next List Pick. A Summer/Fall 2023 Adult Indies Introduce Pick. A 2023 Roxanne Gay Audacious Book Club Pick. Winner of the 2022 Whiting Creative Nonfiction Grant. In this powerful and deeply felt memoir of translation, storytelling and borders, Alejandra Oliva, a Mexican American translator and immigrant justice activist, offers a powerful chronicle of her experience interpreting at the US-Mexico border. In Rivermouth, Oliva focuses on the physical spaces that make up different phases of immigration, looking at how language and opportunity move through each of them: from the river as the waterway that separates the US and Mexico to the table as the place over which Oliva prepares asylum seekers for their Credible Fear Interviews and finally to the wall as the behemoth imposition that runs along America's southernmost border. With lush prose and perceptive insight, Oliva encourages readers to approach the painful questions that this crisis poses with equal parts critique and compassion. By which metrics are we measuring who deserves American citizenship? What is the point of humanitarian systems that distribute aid conditionally? What do we owe to our most disenfranchised? As investigative and analytical as she is meditative and introspective, sharp as she is lyrical and incisive as she is compassionate, seasoned interpreter Alejandra Oliva argues for a better world while guiding us through the suffering that makes the fight necessary and the joy that makes it worth fighting for. **Encyclopedia of Tourism** Jafar
