Honey And Onions A Life In Saudi Arabia:

Honey and Onions Frances Meade,2004-11-03 Frances Meade lived in Saudi Arabia from 1965 to 1998 She and her husband and two daughters exchanged their desert life in Arizona for another desert land when they had the opportunity to transplant themselves to Arabia for an eighteen month adventure that was to last thirty three years This was not the Arabia of the oil companies with their replicated American communities complete with theaters and restaurants nor the high tech country of today Hers was the experience of Riyadh the capital in the days before paved roads telephones and dependable electricity and water Her story opens a window onto a culture much misunderstood by westerners How the family adjusted to an alien way of life and became a part of it is told with humor and an intimate understanding of a people and a country that are constantly in the news today Originally published in 1996 in Saudi Arabia this revised edition is even more timely in 2004

In the Kingdom of Men Kim Barnes,2012-05-29 Here is the first thing you need to know about me I m a barefoot girl from red dirt Oklahoma and all the marble floors in the world will never change that Here is the second thing that young woman they pulled from the Arabian shore her hair tangled with mangrove my husband didn t kill her not the way they say he did 1967 Gin Mitchell knows a better life awaits her when she marries hometown hero Mason McPhee Raised in a two room shack by her Oklahoma grandfather a strict Methodist minister Gin never believed that someone like Mason a handsome college boy the pride of Shawnee would look her way And nothing can prepare her for the world she and Mason step into when he takes a job with the Arabian American Oil company in Saudi Arabia In the gated compound of Abqaiq Gin and Mason are given a home with marble floors a houseboy to cook their meals and a gardener to tend the sandy patch out back Even among the veiled women and strict laws of shariah Gin s life has become the stuff of fairy tales She buys her first swimsuit she pierces her ears and Mason gives her a glittering diamond ring But when a young Bedouin woman is found dead washed up on the shores of the Persian Gulf Gin s world closes in around her and the one person she trusts is nowhere to be found Set against the gorgeously etched landscape of a country on the cusp of enormous change *In the Kingdom of Men* abounds with sandstorms and locust swarms shrimp peddlers pearl divers and Bedouin caravans a luminous portrait of life in the desert Award winning author Kim Barnes weaves a mesmerizing richly imagined tale of Americans out of their depth in Saudi Arabia a marriage in peril and one woman s quest for the truth no matter what it might cost her [Honey and Onions](#)
