

# Methamphetamine Cooking Recipe

**Kevin Hillstrom**

## **Methamphetamine Cooking Recipe:**

**Methamphetamine** Kevin Hillstrom,2014-10-06 The National Institute of Health states that methamphetamine increases the amount of dopamine in the brain a chemical that is involved in body movement motivation pleasure and reward The drug causes an intense high which fades quickly Nearly 1 2 million people reported using the drug in the past year while 440 000 people reported using it in the past month This crucial edition delves into the history of methamphetamine as a recreational drug and as a big business for criminal enterprises It also discusses the toll that methamphetamine addiction takes on its users as well as families and communities in general The book concludes by discussing processes and methods used to treat meth addiction and how law enforcement agencies are trying to combat the meth industry **Meth Matters** ,1999 This study conducted by the Criminal Justice Research Division of the San Diego Association of Governments SANDAG used the Arrestee Drug Abuse Monitoring ADAM program to document methamphetamine use and its consequences among arrestees in five cities Los Angeles San Diego and San Jose in California Phoenix Arizona and Portland Oregon P ix x

*Secrets of Methamphetamine Manufacture* Fester (Uncle.),Fester,2002 This title is out of print as of 03 02 2005 A new revised and updated edition *Secrets of Methamphetamine Manufacture* 7th Edition will be available as of 03 08 2005 **The Devil's Drug** Teun Voeten,2025-02-18 With a combination of thorough investigative journalism daring fieldwork and colorful atmospheric sketches Teun Voeten draws a very detailed and disturbing picture of a drug that is on a rapid international rise Methamphetamine commonly referred to as crystal meth is one of the most addictive drugs in the world Heavy users can destroy themselves in just a few months Originally given by the Nazis to their troops to fight the blitzkrieg it has now conquered the whole world and is used at sex parties in Amsterdam and Antwerp by former hippies in Prague by the underclass in the slums of Harare Cape Town and Peshawar by truck drivers in Thailand and by workers in the sweatshops in Bangladesh Researcher Teun Voeten traveled the globe for two years to investigate all sides of this diabolic drug exploring the bizarre history and pharmacological effects He talked to homeless addicts in Tijuana and Los Angeles cartels in Mexico international drug experts in Bangkok and Kabul and more Voeten also interviewed numerous authorities judges and social workers who are trying to stop the meth epidemic **The Methamphetamine Industry in America** Henry H Brownstein,Timothy M. Mulcahy,Johannes Huessy,2014-07-31 Galax a small Virginia town at the foot of the Blue Ridge Mountains was one of the first places that Henry H Brownstein Timothy M Mulcahy and Johannes Huessy visited for their study of the social dynamics of methamphetamine markets and what they found changed everything They had begun by thinking of methamphetamine markets as primarily small scale mom and pop businesses operated by individual cooks who served local users generally stymied by ever more strenuous laws But what they found was a thriving and complex transnational industry And this reality was repeated in towns and cities across America where the methamphetamine market was creating jobs and serving as a focus for daily lives and social experience *The Methamphetamine Industry in America*

describes the reality that the methamphetamine industry is a social phenomenon connecting local national and international communities and markets. The book details the results of a groundbreaking three stage study part of a joint initiative of the National Institute on Drug Abuse and the National Institute of Justice in which police agencies across the United States were surveyed and their responses used to identify likely areas of study. The authors then visited these areas to observe and interview local participants from users and dealers to law enforcement officers and clinical treatment workers. Through the eyes and words of these participants the book tells the story of the evolution of methamphetamine markets in the United States over the past several years given changes in public policies and practices and changing public opinion about methamphetamine. The authors look closely at how the markets are part of a larger industry how they are socially organized and how they operate. They also consider the relationships among the people involved and those around them and the national regional and local culture of the markets. Their work demonstrates the importance of understanding the business of methamphetamine and by extension other drugs in society through a lens that focuses on social behavior social relationships and the cultural elements that shape the organization and operation of this illicit but effective industry.

The Methamphetamine Crisis Herbert C. Covey, 2007 Offers a comprehensive overview of the methamphetamine crisis in America discussing the drug's makeup devastating impact on users health and addictive qualities as well as what communities and the government are doing to stop its distribution and manufacture.

**Mad on Meth** Benedict Collins, 2023-11-01 Why cook at home when you can order in? Only 50 years ago pure methamphetamine was legally prescribed in New Zealand to anyone looking for a boost. But it wasn't long before P was rebranded as the most dangerous and destructive drug in the world and New Zealanders cemented as among its biggest users. With dry wit and biting insight journalist Benedict Collins takes us inside the evolution of meth in New Zealand. From ram raids for pseudoephedrine to our own cooks and gangs breaking bad a visit to the Golden Triangle of meth production in South East Asia multimillion dollar busts and a moral panic that seeded a meth testing scandal. All set the stage for unthinkable crimes and drug fuelled mania but also serviced a hidden world of white collar users and cemented New Zealand's reputation as among the biggest meth consumers in the world. How did tough on crime become dumb on drugs? And what does a solution to Pure addiction look like? A terrific gripping read that challenges us to think differently about one of New Zealand's biggest problems.

Jarrod Gilbert bestselling author of Patched The History of Gangs in New Zealand. Engrossing and written with flair Benedict Collins tells the story of how demonising drugs and drug users causes more harm than good. The upside is there is a better way. Professor Michael Baker co author of Minimising the Harms from Methamphetamine NZ Drug Foundation Helen Clark Foundation.
