**Thai Girl Naked** Noi Thawattana, 2022-10-12 The real truth about Thai women A Thai woman is more than a sex machine a money extractor or a ruthless scammer Noi Thawattana was a Bangkok prostitute working in hostess lounges massage parlors and go go bars After marrying an American man and moving to the United States she wrote Thai Girl Naked to expose the life of a Thai bargirl through her own voice and from her own eyes Thai Girl Naked is a rare look at the reality of Thai prostitution and more generally at women in Thailand without the beer goggles cultural ignorance and male bravado of tourists memoirs Noi Thawattana knows the business and the life and also knows foreigners misconceptions As a former bargirl now studying journalism Noi is uniquely qualified to tell a Thai woman s story in a readable and entertaining form

**A New Look At Thai Aids** Graham Fordham, 2006-03-01 Following the detection of the first HIV infections in the early 1980s by the 1990s Thailand was routinely depicted as having the world s fastest moving HIV AIDS epidemic However by the early 2000 s the bulk of scholarly and medical AIDS literature portrayed the epidemic as being largely under control and claimed that Thai AIDS prevention efforts during the 1990s had been successful Based on long term ethnographic research conducted in Northern Thailand this book makes an in depth study of the social construction of Thailand s HIV AIDS epidemic over this period In addition to his own field research the author draws on an extensive corpus of English and Thai language social science and medical HIV AIDS literature to examine the modeling of Thailand s AIDS epidemic and addresses concepts and issues such as risk groups risk behaviour alcohol use gender and class masculinity the scapegoating of female prostitutes and men in the underclass the reporting of the HIV AIDS epidemic in Thailand s indigenous Thai language media and sexual activity amongst Thai youth The analysis demonstrates the contribution of anthropology as an interpretative social science and the use of anthropological theory and research methods to finding alternative ways of framing the problems of Thai AIDS and of posing new questions that will lead to more effective points of intervention It emphasises the necessity for critically reflexive approaches that question the taken for granted and demonstrates how qualitative research techniques guided by social theory have the potential to take account of local meanings in complex social contexts where traditional values and cultural practices are rapidly transforming due to economic and social change The book offers a sustained and powerful criticism of the limitations of the normative model of the Thai AIDS epidemic and in its aim of promoting critically reflexive AIDS research techniques in order to produce a better understanding of issues on the ground and hence better health policy and more effective AIDS interventions speaks not only to the Thai AIDS epidemic but to AIDS epidemics throughout Southeast Asia and elsewhere This is the only English language study of Thailand s HIV AIDS epidemic to draw on long term qualitative research in Northern Thailand as well as on a broad range of Thai and some Khmer language materials Its contextualised and subtly nuanced analysis of the AIDS epidemic and of the impact of AIDS control initiatives in concert with the theoretical and methodological contributions it makes to AIDS research and policy and behavioural

interventions makes it a timely publication of vital interest to scholars in the social sciences as well as to the members of non governmental organisations and international organisations working in the HIV AIDS health and development fields

The Wanchai Chronicles Trilogy Svend Christiansen,2021 The Wanchai Chronicles Trilogy is a philosophical thriller about an American couple s fateful entanglement with the young girls struggling to survive in Hong Kong s red light district Author Svend Christiansen weaves the dueling journal entries of expatriates Karl and Kristin Haugaard into an unsettling exploration of the moral and spiritual contours of desire and the paradoxical role it plays in driving our conflicting impulses towards both immortality and self destruction

Kirsten Rising Svend Christiansen,2007-03-15 Set against the backdrop of exotic Southeast Asia the second volume of The Wanchai Chronicles continues the thrills as it tells the tale of Kirsten Haugaard an American widow facing a charge of conspiring to murder her successful and prominent husband In 1999 at the height of the technology investment boom American venture capitalist Karl Haugaard and his wife Kirsten embark on a holiday to Thailand s tropical island of Phuket One year later with Karl dead and the Hong Kong High Court closing in on an indictment Kirsten s therapist forces her to look back on this defining experience in search of the truth about her husband s death Follow the twists and turns of Kirsten s Asian adventure as she experiences a torrid love affair and a near perfect scheme to avenge a heartbreaking betrayal that ultimately brings this story to a disquieting conclusion

*War of Hearts and Minds* James Jouppi,2011-10-26 Under the best of conditions the Peace Corps experience is somewhat like being parachuted into a human drama unfolding in a different culture The volunteer may struggle mightily to be understood but his attempts can be for naught if he misunderstands the framework of his role Unfortunately in spite of Peace Corps training the only way a Peace Corps volunteer can understand

the framework of his or her Peace Corps role is to live inside it or even as in the case of author James Jouppi return to the site where he was stationed without the trappings of Peace Corps In August of 1971 Jouppi arrived in Thailand as part of Peace Corps Thailand Group 38 a civil engineering group slated to work in the most communist sensitive and most poverty stricken areas of Thailand for Thailand's Community Development Department In War of Hearts and Minds he documents the challenges of working inside the Peace Corps system both prior to his work areas being designated red and after that time as well before moving on to his attempts to work outside the Peace Corps system Augmented with maps photographs and letters War of Hearts and Minds offers a compelling look into both the politics of Nixon era America and that of staunchly anti communist Thailand as Thailand fought a shadow war adjoining the one that was raging in Vietnam and Laos In his final chapters Jouppi follows threads from Thailand as they unfold in American culture before providing insights for possible strategies in the future which could bring the goal of worldwide peace and justice closer to fruition
