and researchers alike **A Physical Education** Jonathan Taylor,2025-03-11 On bullying discipline and power in school and beyond What does it mean to be a bully What does it feel like to be bullied to be a victim a pariah a scapegoat What are the techniques patterns and languages of bullying Intermingling memoir with literary criticism philosophy and sociology A Physical Education attempts to answer these questions A highly original examination of the uses and abuses of power in the education system it explores how bullying and discipline function how they differ from each other and how they all too often overlap Taylor interweaves his own experiences with reflections on well known literary representations of bullying and school discipline alongside sociological psychological and philosophical theories of power He discusses the transition from corporal punishment to psychological forms of discipline that took place in the UK in the 1980s and he also investigates the divergences and convergences of physical psychological and linguistic bullying Above all A Physical Education sets out to understand bullying and discipline from an experiential perspective what these things feel like from within rather than above for all those involved There are horrors tragedies and cyclical traumas certainly but there are also absurdities contradictions grotesque comedies Sometimes beneath the Gradgrindian tyranny there is trickery laughter And sometimes there are chinks in The Wall through which other possible worlds might be glimpsed Bullying S. fatou,2015-05-29 In this book we will be exploring the world of bullying as it pertains to the views of a child We will explore the different types of bullying why it occurs and what your child and the parent of a child can do to prevent it and help their child through this rough patch of growing up Bullying has always been a way of life since the early caveman It is human nature to find something to pick on someone else about It can be as simple as a haircut the way one walks talks or dresses The reason for being picked on or bullied is irrelevant The true fact of the matter the reason people pick on one another is because it makes them either feel better about themselves or as a way to be socially accepted among others In other words a way to make friends Bullying is a learned behavior children pick up from their parents friends and society as a way to become accepted among their social groups It is believed that if they make someone else look small in someone Else s eyes it will make them look big and powerful compared to the other person As a result a power trip or superiority complex is created causing a euphoric effect similar to using drugs Once someone gets that high from bullying it is hard to stop The Snowflake Children of Autism Irene L. Schulz,Irene L. Schulz Ph D,Margaret S Texidor,2014-05 Do you know someone with an autism spectrum disorder Do you wish you better understood this perplexing disorder that has significantly increased over the past few years The Snowflake Children of Autism is for anyone who wants to learn more about the phenomenon of autism Has your child become one of the one in 88 children in the United States diagnosed with an autism spectrum disorder Contemporary Readings in Sociology Kathleen Odell Korgen,2008-02-29 This reader was developed to be used in numerous courses taught in sociology It is appropriate for an introductory course as well as a social problems or special topics course The readings have been selected from numerous well respected sociology journals and they have been edited to make them more user friendly for the
