## **Business Law Allison Prentice:**

**Business Law - 18th Edition** John R. Allison, Robert A. Prentice, 2023-08 In the modern business world no skill is more important than the ability to operate a business legally and ethically. Failure to meet the legal and ethical expectations of society and government can be disastrous for both firms and individuals in America's market based economic system. The purpose of this text which has been continually updated since its initial publication more than thirty years ago is to enable students to navigate the modern business world in which illegal or unethical actions have bet the company consequences. The book covers all major business law subject matter areas including contract law, intellectual property law, employment law, tort law, securities law, and products liability law. Moreover new chapters on business ethics will assist students in making the right decisions in a complex world. *Business Law - 17th Edition* John R. Allison, Robert A. Prentice, 2020-08-10

**The Legal Environment of Business** Daniel M. Warner, 1995 **Business Information Sources** Lorna M. Daniells, 1993 This is the reference work that librarians and business people have been waiting for. Lorna Daniells's updated guide to selected business books and reference sources.

Completely revised with the best most recent information available this edition contains several new sections covering such topics as competitive intelligence, economic and financial measures, and health care marketing. Handbooks, bibliographies, indexes, and abstracts online databases, dictionaries, directories, statistical sources, and periodicals are also included. Speedy access to up to date information is essential in the competitive computerized business world. This classic guide will be indispensable to anyone doing business research today. **Business Law** Robert a Prentice, John R Allison, 1999-11-15

Intended for the first course in business law Prentice and Allison's text was written with one primary objective in mind to allow students to cover as much ground as possible without overlooking any of the subject matter that must be covered in an introductory business law course. Business Law successfully gives students an understanding of the legal system, helps them recognize important legal concepts, allows them to become comfortable with the interplay between legal and ethical principles, and promotes the development of skills necessary to master the process of legal analysis. *Business Law* John
