The Richmond Campaign of 1862 Gary W. Gallagher,2000 Whiting s Confederate division in the battle of Gaines s Mill the role of artillery in the battle of Malvern Hill and the efforts of Radical Republicans in the North to use the Richmond campaign to rally support for emancipation BOOK JACKET **The Civil War Diaries of Cassie Fennell** Whitney A. Snow,2024-01-12 Born near Guntersville Alabama Catherine Cassie Fennell was nineteen when the Civil War began Starting with her time at a female academy in Washington DC the diaries continue through the war s end and discuss civilian experiences in Alabama and the Tennessee Valley Fennell believed that by keeping a diary she made a small contribution to the war effort and history itself Fennell was fairly well off and highly educated moving easily in very elite social circles Most of her relatives were staunch Confederates and the war took its toll with multiple members of her family killed or captured As Fennell recounts the consequences of war the downward spiral of the family fortune the withering of hope at news from the battlefield and the general uncertainty of civilian life in the South her diaries constitute one of the few contemporaneous records of north Alabama including the shelling and burning of Guntersville which has been poorly documented in the historiography of the Civil War While the first diary is written as a private reflection the war journals are well researched and rely on extensive familiarity with local newspapers and seem like they are intended for the eyes of later generations Ultimately these diaries amount to a social history of the war years in a specific region where scholars have recovered relatively few firsthand accounts and editor Whitney Snow s compilation adds to the now growing genre of women s Civil War diaries Insightful and engrossing *The Civil War Diaries of Cassie Fennell* is a compelling portrait of a privileged young woman who suffered devastating losses for her ardent support of a Confederate nation *Flying Magazine* ,1959-01

unbridled like a colt but gather up these boys and train them harness and hitch them and they will move the world or break a trace It is the boy who decides the fate of nations I don t know the average age of our soldiers in times of peace but when wars come and there is a call for soldiers it is mainly the boy in his teens who responds yet strange to say the historian has never thought it worth while to put much emphasis upon what the boy does in the upbuilding of a nation Another thing that has been neglected by the historian is the brave and noble part the horse took in our war The grays the bays the sorrels the roans the chestnuts have not been forgotten in this story Indeed as I have already said I have tried to bring to light that part of the story of our Civil War that has not been told *From Bull Run to Appomattox* L.
