Numerical Analysis

An abstract graphic featuring a glowing blue helix or spiral that winds inward, creating a sense of depth and movement. The helix is composed of translucent, overlapping bands that catch the light, giving it a three-dimensional appearance. It is set against a dark, textured background that resembles a fine grid or mesh. In the background, there are faint, larger-scale geometric patterns, including circles and lines, in shades of blue and yellow, which add to the technical and mathematical feel of the cover.
