The Continent of St. Louis J. L. Reynolds, 2009-07-15 The Search For Answers is the second novel and continuing story in The Continent Of St Louis series where a startled and confused Vince Davis finds himself back in 2005 confined to a mental institution for telling his story and experiences of the world's destruction in 2009 In a hostile world where no one believes him he will have to face new challenges and adversaries in an effort to prove his sanity and sort out how he came to be back in 2005 [Harley Hahn's Internet & Web Yellow Pages](#) Harley Hahn, 2000 Click go explore this is a one touch guide to the Internet now updated for the year 2000 The CD ROM includes a hypertext version of the book [San Diego Magazine](#), 1986-11 **College & Research Libraries News**, 1999 **Science Citation Index**, 1994 Vols for 1964 have guides and journal lists **Maximum Rockroll**, 1993 **Burger King: Changing or Imitating?** Anthony Vu, Daniel Bo, Joseph Brooks, Victoria Cheng, Melody Tsang, 2013-01-04 Master's Thesis from the year 2012 in the subject Business economics Offline Marketing and Online Marketing grade A Santa Clara University language English abstract Purchased in 2010 by 3G Capital Management BK became privately owned with a single business corporate strategy Immediately the new ownership group set out to make impactful company wide changes The first change was the elimination of the firm's King mascot in 2011 which was seen as edgy and targeted towards young men in their teens and twenties The new phase which began earlier this year consists of a drastic change in overall brand strategy to reposition BK as a broad and appealing restaurant in the QSR industry To attract a wider audience such as women and health conscious customers BK has added a significant amount of menu items including smoothies coffee drinks and salads Furthermore it has set out to remodel around 1 500 restaurants In place of the previous mascot BK has enlisted A list celebrities i.e David Beckham and Selma Hayek to advertise its products Another strategy that they plan to implement is to sell almost all of its 1 300 corporate stores to franchise stores in an effort to protect itself from commodity cost swings and fixed costs With significant competition from both current as well as fast growing QSRs i.e Five Guys Burgers and Fries Panera Bread and Chipotle Mexican Grill BK's recent moves have been perceived as imitating the leader McDonald's rather than differentiating the company While it remains to be seen whether or not the strategy is enough to grow the business a potential concern is whether 3G Capital Management is looking for long term growth or settling for marginal growth in the short term to fund their exit from the company by going back to a public entity The current strategy conveys that BK is in catch up mode instead of trying to distinguish itself as a premier QSR Considering both internal and external factors the firm needs to win back and increase its customer base as the way to grow its business To do this some recommendations for BK in the short term are to introduce a happy hour that includes an accommodating menu of new products offer nutritious kid's meals that are part of a healthy balanced diet and launch an online ordering system for customers to pre order meals for pick up In the longer term we suggest BK buy out the highest performing franchises to gain additional streams of revenue implement an incentive program
