Business Buyout Agreements Anthony Mancuso, Bethany K. Laurence, 2007 Everything partners need to create a buy out agreement that will protect a business if someone leaves. For many entrepreneurs being in business means working with one or more co owners. But what will happen to your company if a co owner wants out of the business, wants to retire, goes through personal bankruptcy, wants to sell his shares to someone else, goes through a divorce, passes away? To make sure there's a smooth transition following someone's departure, it's essential to create a sort of premarital agreement for your business with a business buyout agreement or buy sell agreement. This legal document clarifies when co owners can sell their interest, the circumstances when someone must sell, who can buy into the business, and what price will be paid. The updated 4th edition of *Business Buyout Agreements* features a simplified approach to creating an agreement and walks you through creating your own contract which is included on CD ROM and as a tear out.
