Business Ethics and Society Marianna Fotaki, Kate Kenny, Juliane Reinecke, 2015-12-15 Business Ethics and Common Sense Robert W. McGee, 1992-10-23 Many business ethics books take a basically collectivist approach to the subject They speak in terms of collective rights and

interests the public interest social justice the greatest good for the greatest number and so forth If individualism is mentioned at all it is mentioned disparagingly This book takes a different approach While some of the contributors to this volume take the more popular collectivist approach many of them do not Thus this book offers a more balanced presentation of business ethics than that found in most books on the subject The book is divided into four parts The contributors to Part I offer an enlightening look at the philosophical foundations of business ethics via discussions on the teaching of business ethics on the relationship between capitalism and morality on the philosophical concepts of selfishness exploitation and the profit motive as well as a unique chapter where business ethics issues are looked at against the foil of the philosophy of Ayn Rand Part II addresses business ethics issues that involve the relationship of the corporation to outsiders Among the topics discussed are the concept of corporate duty and social responsibility environmental issues and business ethics applied to so called anti competitive practices Part III discusses some issues regarding the responsibility of the corporation to insiders and Part IV covers some of the ethical responsibilities of employees and the corporation A major contribution to the field of business ethics this edited work is recommended for scholars practitioners and the general public

The ^AOxford Handbook of Sport and Society Lawrence A. Wenner, 2022-09-27 The Oxford Handbook of Sport and Society is the premier comprehensive and interdisciplinary work for readers looking to understand key areas of inquiry about the role and impacts of sport in contemporary culture Through fifty seven chapter treatments from leading international scholars on sport s impact on key aspects of our lives the Handbook is essential reading for any reader trying to understand the outsized ways in which sport has become more than a game
