Information Technology's first survey of sport management programs around the world. Now FIT has teamed with the North American Society for Sport Management (NASSM) to put out for the first time a single directory that focuses solely on undergraduate programs. Led by new editor Greg Comfort, the resources of FIT and the NASSM combine to produce *The Directory of Undergraduate Programs in Sport Management*, allowing each program to be fully researched and representing a greater number of programs than the original book. *The Directory of Undergraduate Programs in Sport Management* contains extensive information on more than 150 sport management undergraduate programs throughout both the United States and the world. The directory will help prospective undergraduate students find the appropriate school and field of study; sport management faculty advise prospective students in the field; and sport industry professionals recruit students for internships and employment. The Directory identifies many important features of each graduate program. Inside you will find valuable information: How to Contact Each Program; Faculty and Their Areas of Interest; Admissions Requirements; Financial Aid and Internship Opportunities; Educational Resources in Sport Management. An ideal resource for students, faculty, and practitioners involved in the field of sport management.
