Business Genius A More Inspired Approach To Business Growth:

Business Genius Peter Fisk, 2008-06-09 At last a more inspired approach to business Business Genius describes how to grow your business more effectively through intelligent strategy and imaginative leadership radical innovation and sustained change Combining the entrepreneurial passion of a start up with the commercial rigour of large enterprises this is for everyone who seeks the inspiration to think and act differently Business Genius helps you drive more profitable sustainable growth in today's fast changing and connected markets It explores the challenges of strategy and innovation leadership and change as you grow your business and yourself in order to achieve high performance From the craze for Crocs to the cool of Diesel the secrets of Kikkoman and energy of Red Bull the vision of Google and disruption of Current TV the revolution of P G and the phenomenon of Umpqua the book captures the best insights from around the world and a new agenda for today's business Seeing things differently is the foundation of genius Connecting your left and right brain to think more holistically exploring opportunities from the future back as well as now forward then doing business from the outside in rather than the inside out in order to turn radical ideas into practical action

People Planet Profit Peter Fisk, 2010-02-03 Social and environmental issues are more important than ever and consumers are committed to supporting change Doing good is no longer a peripheral activity but fundamental to every aspect of how we do business every day for everyone People Planet Profit is the first book to truly address business growth in the context of social and environmental concerns It's a practical guide to new business opportunity operational improvement and competitive advantage Full of inspiring case studies it looks at the challenges faced by key players such as Google Microsoft Apple Nokia Nike Amazon M S and Walmart With plenty of comments from industry insiders it's essential reading for CEOs and business managers who are searching for new ways to create value to make sense of business in a rapidly shifting landscape and to deliver profitable growth whilst also doing the right thing

Gamechangers Peter Fisk, 2015-01-27 Shake up and redefine the market by changing your game A new generation of businesses is rising out of the maelstrom of economic and technological change across our world These companies are shaking up the world In Gamechangers Peter Fisk has sought out the brands and businesses large and small from every continent who are changing the game and shows how we can learn the best new approaches to strategy and leadership innovation and marketing from them Gamechangers are disruptive and innovative they are more ambitious with stretching vision and enlightened purpose They find their own space then shape it in their own vision Most of all they have great ideas They outthink their competition thinking bigger and different They don't believe in being slightly cheaper or slightly better Why be 10% better when you could be 10 times better Gamechangers is built around 10 themes that are shaping the future of business brought to life with 100 case studies from across the world and 16 practical canvases to make the best ideas happen in your business The book is supported by a range of seminars workshops and digital resources Gamechangers offers guidance on Thinking smarter and acting faster Embracing the new tricks of business Understanding

how gamechangers dream and disrupt Delivering practical results and winning **Creative Genius** Peter Fisk, 2011-05-12

Time and space Genetics and robotics Education and fashion Possibilities limited only by our imaginations The future is yours to create Could you be the Leonardo da Vinci of our times Most ideas are incremental quickly copied and suffocated by conventions Future back thinking starts with stretching possibilities then makes them a reality now forward The best ideas emerge by seeing what everyone has seen and thinking like nobody else Newness occurs in the margins not the mainstream Solutions emerge through powerful fusions of the best ideas into practical useful concepts Creative people rise up Visionaries border crossers and game changers Engage your right brain open your eyes think more holistically intuition rules From Apple to Blackberry GE to Google innovative companies stand out from the crowd not so much for their exceptional products despite what one might assume but for the way they challenge conventions redefine markets and change consumer expectations Apple didn't just create the iPod it envisioned the future of music and then made a product to service that future And the same holds true for every highly innovative company In **Creative Genius** Peter Fisk presents ten tracks for innovation and provides business blueprints for making that innovation happen **Creative Genius** is inspired by the imagination and perspective of Leonardo da Vinci in order to drive creativity design and innovation in more radical and powerful ways It includes practical tools ranging from scenario planning and context reframing to accelerated innovation and market entry plus 50 tracks 25 tools and 50 inspiring case studies **Creative Genius** is the best and last in the **Genius** series by bestselling author Peter Fisk Others include **Business Genius** **Marketing Genius** and **Customer Genius** International Journal of Advertising ,2008
