Ky, 2013-11-12 Designed as a beginner's tutorial to the latest version of C this informative guide discusses the most important features of the language and teaches how to use the NET Framework Written with clarity and readability in mind it introduces important programming concepts and explains the process of building real world applications both desktop and web based With the most comprehensive coverage possible in a book for beginners it includes such topics as C language syntax object oriented programming working with numbers and dates error handling input output generics annotations database access security and application deployment *Visual Basic: A Beginner's Tutorial* Jayden Ky, 2014-06-16 Designed as a beginner's tutorial to the latest version of Visual Basic this informative guide discusses the most important features of the language and teaches how to use the NET Framework Written with clarity and readability in mind it introduces important programming concepts and explains the process of building real world applications both desktop and web based With the most comprehensive coverage possible in a book for beginners it includes such topics as VB language syntax object oriented programming working with numbers and dates error handling input output generics annotations database access security and application deployment **Who's Who in the South and Southwest** Marquis Who's Who, Marquis Who's Who Staff, 1998-12 Provides current coverage of a broad range of individuals from across the South and Southwest Includes approximately 17 500 names from the region embracing Alabama Arkansas Florida Georgia Kentucky Louisiana Mississippi North Carolina Oklahoma South Carolina Tennessee Texas Virginia West Virginia Puerto Rico and the Virgin Islands Because of its importance and its contiguity to the southwestern United States Mexico is also covered in this volume

Forthcoming Books Rose Army, 1988-09 **Lincoln and New York** Harold Holzer, 2009-11-15 Abraham Lincoln the

quintessential westerner surprisingly owed much of his national political success to his impact on New York and in turn New York's impact on him. Virtually unknown outside his home state when he made his maiden speech in Manhattan in February 1860, Lincoln took New York by storm. This book, based on an exhibition at the New York Historical Society of original artifacts, iconic images, and hand-written period documents, traces the evolution of Lincoln's relationship with the nation's largest and wealthiest city. It goes from his 1860 debut to the early challenges of recruitment and investment in the Civil War, the development of new military technologies, and the challenge to civil liberties in time of rebellion. New York's role as the Union's prime provider of manpower, money, media coverage, image making, and protest is explored alongside Lincoln's accompanying growth as a leader, writer, symbol of union and freedom, and in the final instance, national martyr.

Embark on a transformative journey with Written by is captivating work, **Beginners Tutorial Second Jayden Ky** .
