Henry M. Field,2015-07-11 Excerpt from Bright Skies and Dark Shadows  
Migration to the South at the approach of Winter has become almost as regular as the migration of birds A journey that is so familiar needs little in the way of description and if I linger here and there or turn to some out of the way place like Jupiter Inlet it is not to magnify slight accessories but to prepare a larger canvas for a principal figure as these tropical surroundings furnish a background the more effective by contrast for the dark subject of my story It is under these bright skies that the shadows creep on the scene Out of the palms and the orange groves starts up a spectre the ghost of something gone that though dead and buried sleeps in an unquiet grave and comes forth at midnight to haunt us in our dreams The Race Problem is the gravest that ever touched a nation's life The subject at once fascinates and repels by its tremendous import its difficulty and its danger I have been so oppressed by it that I could not keep from speaking even if it were only to ask questions That is the way to get light by groping after it Confession of ignorance is the first step towards knowledge To one in perplexity of mind on a difficult question it is a help to talk it over in a friendly way to exchange suggestions with those who give as well as receive Ideas which were extremely vague crystallize in expression and are useful if only to draw forth something better from others About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Guide to Reprints 2007 K.
