**Motherhood** Jane Buckingham, 2009-10-13 From the author of the bestselling The Modern Girl s Guide to Life comes a must have book for the young mom including best kept secrets practical advice and multiple solutions for problems from birth to age four Just when you thought you could cook hey one meal counts clean if the queen was coming and seduce a man well long enough to get married life throws you a curveball that makes all of your previous ineptitudes in life pale in comparison

With the appearance of one little extra line on a pregnancy test you're thrown into a world of covering up leaks on shirts and taking a pacifier away from a two year old who has the grip of a pit bull. In this funny, smart and honest book Jane Buckingham cuts through the clutter to give you simple information and practical advice for navigating the different stages of motherhood. From how to get your child to sleep and how to wean to how to get him off the pacifier and how to stop his tantrums, this book will help moms feel in the know and in control. Some of Buckingham's favorite tips: If your baby has a hard time feeding because of a stuffy nose, turn on the shower to steam up the bathroom and feed her there. Put your children's paints in an empty egg carton; it's the perfect size and there's no mess to clean up when you're done. Use an old raincoat with the arms cut off as a smock. You should buy a new car seat rather than borrowing a friend's old car seat, as there are constant safety upgrades. Also be sure you are the person registered to that car seat, send in that registration card so that you'll be notified in case of a recall. Keep the three day rule in mind. Almost any bad habit can be broken in three days. Granted, they may be tough, torturous days, but you can do it. *The Modern Girl's Guide to Motherhood* helps modern moms do it all with love, style and flair.
