Broken Promises Broken Promises:

Broken Promises, Broken Dreams Alice Rothchild, 2007-03-20 A doctor's life changing journey across Israel's borders Dr Rothchild gives us what we so badly need information and more information about what is actually happening in Israeli controlled Gaza and West Bank and even more important about the lives and struggles of those brave Israelis who reject their government's policies of occupation and wish to bring about a future where it can be truly said We refuse to be enemies Dorothy M Zellner The tragedies of the conflict between Israelis and Palestinians are never far from the pages of the mainstream press Yet it is rare to hear about the reality of life on the ground and it is rarer still when these voices belong to women This book records the intimate journey of a Jewish American physician travelling and working within Israel and the Occupied Territories Alice Rothchild grew up in a family grounded by the traumas of the Holocaust and passionately devoted to Israel This book recounts her experiences as she grapples with the reality of life in Israel the complexity of Jewish Israeli attitudes and the hardships of Palestinians living in the West Bank and Gaza Through her work with a medical and human rights project Rothchild is able to offer a unique personal insight into the conflict Based on interviews with both Israelis and Palestinians Rothchild's memorable account brings to life the voices of people mutually entwined in trauma and explores individual examples of resilience and resistance Ultimately the book raises troubling questions regarding US policy and the mainstream Jewish community's insistence on giving unquestioning support to all Israeli policy **Broken Promises**

(Broken #1) Dawn Pendleton, 2013-04-18 After three years in Boston attending college Mallory Wells has come home to Casper Maine to care for her father who is dying from cancer She left Casper without looking back leaving her small town life and everyone in it behind Including her sexy high school sweetheart Luke Bates was devastated when Mallory left him for the city life He managed to pull himself together and move on even if only just barely When Mallory shows up in town Luke vows to stay away from her at all costs So why does he want to spend as much time with her as he can He knows she's going back to Boston eventually but he just can't resist the lure of Mallory Even if it means he's heartbroken again when she leaves

#BrokenPromises, Black Deaths, & Blue Ribbons, 2018-07-17 Many urban centres are shaken to their core with mistrust between communities and law enforcement Erosion was exacerbated in the Obama era intensified during the 2016 campaign and is violently manifested in Trump's presidency The promise of uniting communities articulated by leaders lays broken The text suggests that promise of prosperous and engaged urban citizenry will remain broken until we can honestly address the following unanswered questions What factors contribute to the creation of divided communities What happened to erode trust between community and law enforcement What concerns and challenges do law enforcement officials have relating to policing within urban centres What are the experiences of residents and police And finally whose lives really matter and how do we move forward Contributors are Lawrence Baines Amber C Bryant Erica L Bumpers Issac Carter Justin A Cole Erin Dreeszen Jaquial Durham Antonio Ellis Idara Essien Jeffrey M Frank Beatriz Gonzalez Aaron J Griffen Jennie L Hanna Diane

Broken Promises Robert Tillman,1998 As the costs of medical care have skyrocketed so has the amount of money lost to fraudulent health insurance providers These bogus operations typically victimize individuals on the lower end of the socioeconomic scale who then face staggering medical bills without coverage Robert Tillman shows how market conditions and weak regulatory structures have allowed these crimes to occur and cites recent institutional and legal changes that have created both new demands for insurance and greater opportunities for fraud He also analyzes the political and economic climate that enables these criminal practices to flourish Drawing on court documents congressional hearings and actual cases Tillman provides numerous examples of the three most prevalent forms of fraud scams involving multiple employer welfare arrangements employee leasing schemes and fictitious labor unions He also examines recent innovations in insurance fraud such as 24 hour plans and coverage offered by dubious religious organizations With the regulation of health insurance currently in chaos *Broken Promises* offers a critical examination of this insidious form of white collar crime It is a timely book that raises important questions about the definition of insurance and consumer protection
