Keeping Up the Kardashian Brand Amanda Scheiner McClain, 2013-10-29 The Kardashian family is a contemporary cultural touchstone recognizable throughout the world connoting warrantless celebrity voluptuous beauty and social media savviness Amanda Scheiner McClain explores the Kardashians brand and celebrity via narrative discourse analyses of their hit reality television series Keeping Up with the Kardashians social media utilization and popular press coverage This triangulated study allows insight into contemporaneous American culture societal norms values and ideologies as well as structural and cultural aspects of cross platform brand creation The television series examination finds intrinsic paradoxes of sexuality conservatism family business beauty unhappiness narcissism celebrity intimate transgressiveness and traditional nontraditional gender roles as well as materialism and public vs private spheres themes In addition a study of the Kardashian blogs and Twitter use finds that their careful participation amplifies celebrity and unifies the overall brand into a single sellable image across media Through interactive media and just being themselves the Kardashians renovate banal status updates and hackneyed reality television into character constructing building blocks of brand celebrity and profits

You Are Looking Live! Rich Podolsky, 2021-10-15 You Are Looking Live is about the genesis success and magic of a live television show that in 1975 captured the excitement of the country and launched four magnetic personalities to stardom Brent Musburger Phyllis George Irv Cross and Jimmy The Greek Snyder It was truly a piece of Americana It was the first NFL studio show to go live and the first to have both a Black and female co host Those four personalities battled each other and the competition and America loved them for it This is the story of how Brent Phyllis Irv and Jimmy got there their drama and front page headlines and what happened to them after the magic ended Those headlines included Brent and The Greek s famous fight at Peartrees Phyllis first marrying the man who produced The Godfather then dropping him after two months for the next governor of Kentucky and the shocking firing of Musburger on April Fool s Day 1990 America had never seen a show like this before On the East Coast and the Midwest people would literally rush home from church to hear what they had to say and on the West Coast fans loved waking up to it The NFL Today became so popular that it not only dominated the ratings but also won its timeslot 18 straight years from 1975 to 1993 until CBS lost its NFL package to Fox And today looking back these four personalities like any family had their own battles and became even more famous for them
