Deverell's gripping new novel Set in Seattle and British Columbia it tells a hard hitting story of shattered lives of secrets long kept and finally revealed and of the often precarious road to justice Elizabeth Finnegan is a young lawyer bright and headstrong who finds herself locking horns not for the first or the last time with Hugh Vandergraaf a brilliant and charismatic Supreme Court judge Outraged by the lenient sentence Vandergraaf has just handed down to a convicted rapist Elizabeth ignites a very public war of words with him both inside and outside the courtroom When a few days later Elizabeth is visited in her office by a woman who makes a stunning claim against Vandergraaf she takes on what promises to be the trial of her career in spite of opposition from her firm's senior partners and the Attorney General's office As Elizabeth builds her case against Vandergraaf she pieces together a portrait of a brooding ambitious man with powerful allies who is seemingly addicted to sex and haunted by the demons of his past But the trial replete with complications and reluctant witnesses takes a bizarre turn and in a very personal way Elizabeth gets more than she bargained for Told from Elizabeth's point of view Slander is an engrossing novel in which the genders are at war and a feminist lawyer takes on the old boys network Dark timely and with a cast of vividly portrayed characters Slander once again confirms William Deverell's reputation as one of Canada's most popular authors
