

The Rusty Nail August 2012

SJ Ball

The Rusty Nail August 2012:

The Rusty Nail, August 2012 The Rusty Nail, 2012-07-19 The Rusty Nail is a literary magazine whose goal is to join the growing community of Internet based English types who not only love literature and the written word but are enamored with the future of both. We believe that the Internet has given authors and poets the opportunity to share and get recognition for their work without having to sell their soul to The Man. This preserves artistic dignity and lets the reader see the writer's thoughts and soul without the often numbing influence of industry professionals. Visit the website for more great writing and to find out how you can submit your own work. In this Issue: Jean Hopkins, Jessica Hill, Isaac L. Thompson, Vishnu Rajamanickam, Wes Rehberg, Jan Wiezorek, Valerie Sirr, B. P. Evans, L. M. Lawrence, Anthony Desmond, Yeri Kim, February Grace, Katherine Horrigan, Tim Johnson, Alastair Keen, Jay Squires, Christine Locker, Ian Boulton, Gabriel Goodrick, Richard Peabody, and Richard Cahill. www.rustynailmag.com [eFiction November 2012](#), *Mill Power* Paul Marion, 2014-09-08 *Mill Power* documents the making of a national park that changed the concept of what a national historical park could be. For a time in the 1800s Lowell was Massachusetts's cosmopolitan must-see second city. The city's industrial model was as high tech then as Silicon Valley is today. It drew the attention of luminaries like Charles Dickens, Congressmen Davy Crockett and Abraham Lincoln, feminist sociologist Harriet Martineau, and abolitionist Frederick Douglass. This insider's account of the creative, bold, community-driven process to establish the park explains why today Lowell National Historical Park is renowned as the partnership park. The park's establishment was an integral piece of an urban revival strategy that has made Lowell the subject of scores of newspaper articles, magazine profiles, TV and radio reports, scholarly papers, and book chapters. *Historic Preservation* magazine has hailed the park as the premier rehabilitation model for gritty cities worldwide. The Lowell story has much to teach the mid-sized cities of the nation and the world. *Mill Power* frames the Lowell comeback in its historical context and brings together the people who dreamed, wrote, designed, pushed, and cheered a new national park into existence along with those who came after with the charges of shaping the ideas into material form. The volume features 100 photos, many of them showing the before and after story of this revitalization. [The Oxford Companion to Spirits and Cocktails](#) David Wondrich, Noah Rothbaum, 2021-10-20 *The Oxford Companion to Spirits and Cocktails* presents an in-depth exploration of the world of spirits and cocktails in a ground-breaking synthesis. The Companion covers drinks, processes, and techniques around the world as well as those in the US and Europe. It provides clear explanations of the different ways that spirits are produced, including fermentation, distillation, and ageing, alongside a wealth of new detail on the emergence of cocktails and cocktail bars, including entries on key cocktails and influential mixologists and cocktail bars. *HPV* Jacqueline Langwith, 2013-02-21 There is no cure for Human Papilloma Virus, but there are vaccines for avoiding it. This guidebook provides essential information on Human Papilloma Virus and Cervical Cancer, but also serves as a historical survey by providing information on the controversies surrounding its causes and first-person narratives by people coping with HPV.

Patients family members or caregivers explain the condition from their own experience The symptoms causes and treatments are explained in detail Essential to anyone trying to learn about diseases and conditions the alternative treatments are explored Each essay is carefully edited and presented with an introduction so that they are accessible for student researchers and readers

Environmental Impacts of Transnational Corporations in the Global South Paul Cooney, William Sacher, 2018-11-30 This volume explores the impact of Transnational Corporations TNCs on the environment of the Global South during this period of neoliberal globalization It develops themes around transnational extractive activity the impact of transnational capital on indigenous populations and the role played by international institutions
