Becoming Sage:

Becoming Sage Michelle Van Loon, 2020-04-07 Why Do We Act Like There Is An Age Restriction on Spiritual Growth For the last several decades Western churches have focused the bulk of their resources on the early stages of discipleship children s Sunday school youth group college ministry While these are all important we have neglected the spiritual growth of those in the second half of life In fact an outside observer might think that after the growth of the college years the goal is simply to coast through the rest of your Christian life Michelle Van Loon has a different idea In *Becoming Sage* she challenges those in midlife and beyond to continue pursuing radical spiritual growth and she ll help you get started She explores what the unique challenges of midlife can teach us about Jesus and how to think about everything from church friends and family to money bodies and meaning Don t settle for a life of coasting Revitalize your spiritual growth today

Becoming a Sage Sharon Wegscheider-Cruse, 2016-02-16 As a pioneer in the adult children of alcoholics movement Sharon Wegscheider Cruse helped countless people heal from their painful pasts and forge a better tomorrow for themselves and future generations Here she reflects on her own life journey the deep lows the soaring highs the mundane and the magnificent and shows us that our lives are a tapestry of our experiences Stitched together we can see the purpose in every moment and when we weave in the wisdom of those who have come before us uncover valuable lessons that we can impart to others In this process we become a sage someone who has reached a time of inner wisdom and peace and yet wants more Wherever you are in life s journey *Becoming a Sage* will encourage you to be courageous and confident to become of teller of the truth and embrace your past both the good and the bad with grateful acceptance By doing so you too will become a sage and realize your radiant vitality and worth in the world Publisher *The Social Contract: A Theory on Dignity* Qianfan

Zhang, 2025-12-18 Based on methodological individualism and empiricism this book aspires to shape a real social contract one ultimately based on the reciprocal respect of human dignity that is capable of founding a legitimate state in the real world It aims to establish among other points that 1 a real social contract is essential for legitimating and sustaining constitutional democracy 2 misconceived social contract theories such as those developed by Rousseau or Rawls may well lead to totalitarianism rather than liberal democracy and 3 a true social contract is ultimately rooted in the reciprocal respect for human dignity a concept found in philosophies like Confucianism which itself requires reformulation to adapt to the modern world *Learning the Good Life* Jessica Hooten Wilson, Jacob Stratman, 2022-05-03 Discover the Good Life as you

learn from the wise voices of the past We ve lost ourselves Disconnected from the past and uncertain about the future we are anxious about what our lives will be and troubled by a nagging sense of meaninglessness Adrift in the world many Christians have their identity completely wrapped up in work and their definition of the good life is financial success Fewer of are staying committed to the Christian faith finding it difficult to reconcile their experience with their longings and desires With so much uncertainty where can we find a true vision of the Good Life *Learning the Good Life* speaks to this malaise with a

curated collection of voices from the past inviting Christians into an ages old dialogue with some of history s wisest and most reflective minds Featuring thought provoking writings from a diverse lineup of over 35 writers and thinkers From the classic including Confucius Augustine Sor Juana In s de la Cruz Henry David Thoreau and Frederick Douglass To the modern including W E B DuBois Flannery O Connor T S Eliot and Simone Weil To the contemporary including Wendell Berry David Foster Wallace and Marilynne Robinson Together these sages writers philosophers and poets address important issues such as virtue beauty community wonder suffering and meaning Each of these texts are introduced by experts from a variety of Christian colleges and universities to help provide a richer narrative in which Christians can participate Each text is also accompanied by discussion questions to provoke further thought and contemplation and to facilitate discussion when used in groups Learning the Good Life is ideal for any Christian seeking a deeper connection to the wisdom of the past and wanting a more cohesive vision of the good life Though not all these writers were themselves Christians they all have a message for you All of them are calling you to die to yourself to your habits of indulgence to your pride and ambition and to dedicate your time to learning thinking and loving

Secret Horizon Uma Purighalla, M.D.,Uma Purighalla,2001-08-28 Alicia Thorne and a few others have been given a vaccine that can extend life span by centuries Why then have so many people had to die for it As a young doctor walks a desolate hospital hallway while working a lonely night shift he realizes that he is being pursued Cautiously he writes a plea for help in the in patient chart of Alicia Thorne His small note is the key to finding out the horrid secret behind the vaccine and more importantly how to destroy it In spite of his efforts that night the young doctor is murdered in the gross pathology department while Alicia Thorne is discharged form the hospital and her in patient chart is carted away to Medical Records to collect dust until one hundred thirty two years later Throughout the story we catch glimpses of Dr Holtz s life past present and future We learn about Mr Helfrick a man who knows nothing of his beginnings nor if he will ever have and end We later realize that he is patient zero and that it is through his cells that the vaccine is born We learn of a future age conscious society far more sophisticated than our present society yet all too familiar

Mother Nature's Daughter P.S. Lutz,2012-02-26 A funny disturbing touching mad thoughtful adult childlike novel of rather disarming originality The book begins with a woman s impregnation by a swarm of monarch butterflies and culminates in a confrontation between the inventor of a compassion arousing super drug and all of the tenth graders in Massachusetts This book can be read as a big sweeping myth of America and the modern age but if you prefer to enter its world and explore its oddly angled rooms and strangely shaped alcoves for their own peculiar sake it allows for that as well In any case I can
