Bed Bath And Beyond Lotion:

Life at DrTom's: Mostly Humorous Anecdotes by a Mostly Retired Cornell Professor Thomas A. Gavin, 2013-02

Life at DrTom's is a diverse collection of easy to digest anecdotes about human behavior wildlife children wives and more from the perspective of a retired Ivy League professor DrTom taught classes in biology and conservation at Cornell University for almost 30 years and he conducted research on birds and mammals in the U S and abroad But he has found that observing humans and describing the human condition are as interesting as the study of wild animals DrTom writes with a somewhat cynical view about his own species in a way that will make you say hey I never thought of that Spanning six decades DrTom describes the colorful experiences that vary from studying squirrels on a cattle ranch in Idaho living in the rainforest of Costa Rica attending a geisha like party in Korea playing tennis for Ohio State to smoking a cigar while sipping a scotch in the forest surrounding his New York home These moments have sharpened his power of observation and informed his impression of what makes human behavior so curious But this life long exploration of what makes life interesting has generated the tangible he celebrates the most the memory of these rich encounters Readers will have no difficulty relating to DrTom's observations and conclusions about the experiences he shares You will see yourself in many of the uncanny situations in which he has found himself as a father grandfather husband teacher and retired baby boomer Regardless of your age gender or educational background the prose will make you laugh or pause or think more deeply about what you see around you *Number Two Daughter* Susanna Laird Madden, 2021-01-15 A military officer and his wife along with their three daughters travel to and live in several states and foreign countries The middle daughter who derived her nickname Shizukosan after living in Japan was also tagged Number Two Daughter as her family lovingly referred to her throughout her life This is not just a tale but many tales or vignettes of the author's life as a Military Brat It then continues on with her memories trials and blessings expressed in a humorous manner The vignettes separate each decade into brief individually titled bites making it convenient when you want a quick read Poignant Entertaining Educational Humorous Those words describe Number Two Daughter Susanna invites you to sit back relax and take a front row seat in this movie of her life
