Bring Her Back When You're Done:

Blizzard in the Bluegrass Hallee Bridgeman, 2022-09-24 Gloria's son is lost in the Christmas blizzard. Will she and Jeff find him in time? Or will the season of joy turn into a tragedy? Despite an ex-husband who abandoned them in the wake of their son's autism diagnosis, GLORIA SUTTON has her life under control. She has a successful large animal veterinary practice in small town Charula, Kentucky, shuttles her son Noah to all of his needed therapies, and volunteers with the children at her church. Everything runs as smoothly as possible, even if at times she finds herself overwhelmed in the parenting alone department. Eight-year-old boys provide their own kind of unique challenges, and when you throw in a special needs child, the whole single-parenting aspect can at times overwhelm. She knows that there are days that only the strength derived from God can get her through another moment. Widower JEFF BROCK moves to Charula to escape the memories of his wife and daughter leaving behind a prestigious position of doctor of internal medicine at the University of Louisville Hospital to take over his great-uncle's small town family practice. He has no desire nor intention to ever date again until his inherited yellow Lab brings him together with his new neighbor and her charming son. Soon he finds himself wanting to let go of the past and for the first time in years seek out a future. When the storm of the century blankets Kentucky under several feet of snow and whiteout conditions on Christmas day, GLORIA and JEFF batten down at her father's house, counting their blessings and basking in the warmth of their love. Until they discover that eight-year-old Noah is missing. Will they find him before he succumbs to the elements, or will this day forever mark a tragedy in their lives? Crow Girl JB Trepagnier, 2018-01-15 Liam Collins wants to be a writer more than anything else. After unceremoniously being laid off from his job at the paper, he thinks he finally has time to write that book. As his writer's block continues, he spends his time gardening and brewing his own beer. One day he notices someone has been stealing peas in his garden in the idyllic Irish countryside. Only meaning to scare them off, he accidentally shoots someone. Following them to the Hawthorn tree, there is a wailing girl up there dressed in strange, ripped clothing who doesn't appear to have the ability to speak except in strange noises. Curiosity wins out after he drops her off at the hospital, and he goes back to visit her. This strange wild girl cannot speak and doesn't know what food is when it's presented to her. Thinking she appeared in his tree as a shrieking banshee for a reason, Liam claims her and brings her home. He thinks he can help her and teach her to speak, and she can help him by giving him the book he knows is inside him.
