Bringing Down The House:

Totally Scripted Josh Chetwynd, 2017-02-01 The language of Hollywood resonates beyond the stage and screen because it often has inherent drama or comedic effect This volume contains a combination of approximately 100 expertly researched essays on words phrases and idioms made famous by Hollywood along with the stories behind 30 or so of the most iconic and ultimately often used quotes from films There are also sidebars that focus on other ways the entertainment world has changed language For instance stories behind stars whose names have been used for drinks hello Shirley Temple or roses there are ones named after Elizabeth Taylor and Judy Garland among others And a sidebar on William Shakespeare s unique contribution to the English language **New York**, 2003-03 **Screens Fade to Black** David J. Leonard, 2006-06-30 The triple crown of Oscars awarded to Denzel Washington Halle Berry and Sidney Poitier on a single evening in 2002 seemed to mark a turning point for African Americans in cinema Certainly it was hyped as such by the media eager to overlook the nuances of this sudden embrace In this new study author David Leonard uses this event as a jumping off point from which to discuss the current state of African American cinema and the various genres that currently compose it Looking at such recent films as *Love and Basketball* *Antwone Fisher* *Training Day* and the two *Barbershop* films all of which were directed by black artists and most of which starred and were written by blacks as well Leonard examines the issues of representation and opportunity in contemporary cinema In many cases these films which walk a line between confronting racial stereotypes and trafficking in them made a great deal of money while hardly playing to white audiences at all By examining the ways in which they address the American Dream racial progress racial difference blackness whiteness class capitalism and a host of other issues Leonard shows that while certainly there are differences between the grotesque images of years past and those that define today s era the consistency of images across genre and time reflects the lasting power of racism as well as the black community s response to it **Dictionary of Idiomatic English Phrases** James Main Dixon, 1887 **Bonnybell** Emma C. Vogelgesang, 1886 *Parliamentary Debates* New Zealand. Parliament, 1903 **A New English Dictionary on Historical Principles: part 1.
