British Army Manuals

Great Britain. War Office

British Army Manuals:

Catalogue of British Army Manuals and Other Official Instructions, 1900-1950 Bertram Rota Ltd,1987 **Regulations for the Equipment of the Army** Great Britain. War Office,1911 General Regulations and Orders for the Army Great Britain. Army,1811 Warfare in Europe 1919-1938 Geoffrey Jensen,2017-05-15 Although ostensibly a time of peace one of the richest and most fascinating periods in military history falls between the two world wars With good reason even today military theorists look to these years for relevant lessons The articles and papers collected together in this volume highlight the major themes and developments of interwar military affairs in Europe including the new doctrines of tank warfare air power German Blitzkrieg and Soviet operational art They also demonstrate the important place of the major armed conflicts of the period such as the Russian and Spanish Civil Wars in European history Catalogue of War Publications ,1917

The English Catalogue of Books [annual]. Sampson Low,1914 Vols for 1898 1968 include a directory of publishers

Writing Design Grace Lees-Maffei,2013-09-12 How do we learn about the objects that surround us As well as gathering sensory information by viewing and using objects we also learn about objects through the written and spoken word from shop labels to friends recommendations and from magazines to patents But even as design commentators have become increasingly preoccupied with issues of mediation the intersection of design and language remains under explored Writing Design provides a unique examination of what is at stake when we convert the material properties of designed goods into verbal or textual description Issues discussed include the role of text in informing design consumption designing with and through language and the challenges and opportunities raised by design without language Bringing together a wide range of scholars and practitioners Writing Design reveals the difficulties ethics and politics of writing about design Regulations for Recruiting for the Regular Army, Militia, and Imperial Yeomanry Great Britain. War Office,1909 **Counterinsurgency and the Global War on Terror** Robert M. Cassidy,2006-04-30 Since September 2001 the United States has waged what the government initially called the global war on terrorism GWOT Beginning in late 2005 and early 2006 the term Long War began to appear in U S security documents such as the National Security Council s National Strategy for Victory in Iraq and in statements by the U S Secretary of Defense and the Chairman of the JCS The description Long War unlimited in time and space and continuing for decades is closer to reality and more useful than GWOT Colonel Robert Cassidy argues that this protracted struggle is more correctly viewed as a global insurgency and counterinsurgency Al Qaeda and its affiliates he maintains comprise a novel and evolving form of networked insurgents who operate globally harnessing the advantages of globalization and the information age They employ terrorism as a tactic subsuming terror within their overarching aim of undermining the Western dominated system of states Placing the war against al Qaeda and its allied groups and organizations in the context of a global insurgency has vital implications for doctrine interagency coordination and military cultural change all reviewed in this important work Cassidy combines the foremost maxims of the most prominent Western

philosopher of war and the most renowned Eastern philosopher of war to arrive at a threefold theme know the enemy know yourself and know what kind of war you are embarking upon To help readers arrive at that understanding he first offers a distilled analysis of al Qaeda and its associated networks with a particular focus on ideology and culture In subsequent chapters he elucidates the challenges big powers face when they prosecute counterinsurgencies using historical examples from Russian American British and French counterinsurgent wars before 2001 The book concludes with recommendations for the integration and command and control of indigenous forces and other agencies **The Rising** Fearghal

McGarry,2010-01-28 The Easter Rising of 1916 not only destroyed much of the centre of Dublin it changed the course of Irish history But how did it achieve this What role did people from ordinary backgrounds play in the making of the Irish revolution and what motivated them to take part in it What did the rebels think they could achieve And what kind of a republic were they fighting for These basic questions continue to divide historians of modern Ireland The Rising is the story of Easter 1916 from the perspective of those who made it focusing on the experiences of rank and file revolutionaries a story now told for the first time To do this Fearghal McGarry makes use of a unique source that has only recently seen the light of day a collection of over 1 700 eye witness statements detailing the activities of members of Sinn F in the Irish Republican Brotherhood Cumann na mBan and the Irish Volunteers at the time of the Rising This collection represents one of the richest and most comprehensive oral history archives devoted to any modern revolution providing new insights on almost every aspect of this seminal period Using this unique source McGarry shows how people from ordinary backgrounds became politicized and involved in the struggle for Irish independence in the early years of the twentieth century He illuminates their motives and aspirations and highlights the importance of the Great War as a catalyst for the uprising He concludes by exploring the Rising s revolutionary aftermath which saw the creation of an Irish parliament D il ireann and the Irish Republican Army s armed campaign to win independence Training and Manoeuvre Regulations, 1909 Great Britain. War Office. General Staff,1909 *The Publisher* ,1915 Field Service Manual Great Britain. War Office,1908 *Field Fortification* Henry Doveton Hutchinson,1910 **Supply Manual (war).** Great Britain. War Office,1909 **Details of Equipment for Practice Batteries and Drill Guns (fixed Mountings) of the Royal Garrison Artillery ...** Great Britain. War Office,1909 Notes on Dynamics Sir George Greenhill,1908 **Handbook for the 5-inch B.L. Howitzer** Great Britain. War Office,1905 **Napoleon's European Campaigns, 1769-1815** Frederick William Orby Maycock,1910 *Field Service Manual. Royal Engineers* Great Britain. War Office,1908
