 Fair*, 2016 **Outsiders** Zachary Kramer, 2019-01-23 What is the future of civil rights Like a living thing discrimination
 evolves adapting to its time As discrimination becomes more individualized as difference becomes more pronounced we need
 a civil rights that is attuned to the way identity is performed today Outsiders is filled with stories that demand attention
 stories of people whose search for identity has cast them to the margins Their stories reveal that we need to refresh our
 vision of civil rights Taking its cue from religious discrimination law Outsiders proposes two major changes to civil rights law
 The first is a right to personality Identity comes from within The goal of civil rights law should be to take people as they come
 to let each of us determine who we are and how we relate to the world around us The second change is a shift in how the law
 responds to discrimination The critical question driving equality law should be whether there is space to accommodate a
 person's identity Accommodations are about respecting difference not erasing it Accommodations are a way to bring
