The Secrets of the Gods Claudiu Gilian, 2017-03-22 What would it be like to realize one day that everything you believed to be true was nothing but a lie That you lived in an illusion constantly fed by those around you That reality is often diametrically opposed to the chimera that was inoculated to you That to learn the truth you need to forget everything you know What is God Are aliens real Is the material universe just an illusion Why are we here where do we come from and where do we go after death Is Earth a prison Are humans the descendants of the gods of the past Is the Bible just a collection of plagiarized myths Was Christianity invented by Philo of Alexandria Was the Garden of Eden located on the territory of today's Romania Are Lucifer and Adam the same character Is Noah's Ark one of the Giza pyramids Is the Great Pyramid an interdimensional travel device Was the prophet Abraham a descendant of the Akkadian emperor Sargon the Great Was Moses really Pharaoh Akhenaten Is there an unseen war between the Aryan and Semitic races Did Alexander the Great discover the source of life in Dacia Did Pharaoh Tutankhamun's family practice black magic Does the Asteroid Belt come from the Mariana Trench Are the fallen angels at the top of the Masonic pyramid Is time travel possible Is the Apocalypse an event of the past Was Jesus possessed All these questions and many more can be answered by The Secrets of the Gods a secret history of the world based on the decoding of ancient myths as well as on the results of modern scientific research A unique and controversial
