

Understanding Of Who I Am

Initially, it seems like a straight forward simple answer. I would normally start off by listing my age, nationality, religious belief, what school I attend, what I do for a living and so on. But does that truly define who I am? Once I sat and started thinking about it, I realized the question was more complicated than I initially thought it would be. So who am I?

I think for the most part I am a very easy going. I am a pretty easy person to get along with. I usually tend to have an optimistic outlook of life. And I always mad it my hardest to try making the right decision. I am self-determined, If I want something, I would try my ultimate best to do so. I am shy at first, but once I start opening up it'll be hard for you to shut me up. Another is that I'm always up for a challenge. I was always one to step out of comfort zone. I like to experience new things. The way I look at it, is... That there is so much to life. Why shouldn't you be more open to try new thing? You never know you like something unless you try. For instance, I was terrified of the pools. The idea of jumping in pool that's twelve feet... forget about it. My girlfriend pushed me to take a swimming class at queens college. I was up for a challenge. How hard could it be, I thought. Oh boy, was it hard.

On the very first day we were told to jump in the deep side of pool. Now you can only imagine what going inside my head. I could barely swim. I realized that it wasn't that bad. Anyways, to this day swimming turned into 2 one of my hobbies. I'm no Micheal Phelps but I really enjoy it. This semester I'm taking this scuba diving class, so hopefully soon I can go diving in the reefs of some tropical island. Life is like a roller coaster, you go up, you go down, you go up, you go down.
