Pressure-point Fighting Rick Clark, 2000-04-15 Supplement your martial arts skills with this expert guide to pressure point fighting Western students of Asian martial arts have long been haunted by the aching

suspicion that something is missing from the arts they love and practice wholeheartedly something intangible but something so essential that its absence leaves an unbridgeable void For many that missing ingredient is a true and thorough knowledge of the body's vital points what they are where they are how to quickly find them under duress how to use them constructively or for destruction and how to recognize them in the kata hyung or forms they thought they knew so well In Pressure Point Fighting martial arts expert Rick Clark offers a systematic introduction to this knowledge and to the tools needed to ferret out more of this information from forms and techniques already in place knowledge and tools that are not dependent upon acceptance of the tenets of traditional Chinese medicine or modern Western medicine for that matter but which are based solely on open minded observation and willingness to try new or old approaches to martial arts training Black Belt ,1996-04 The oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies In addition Black Belt produces and markets over 75 martial arts oriented books and videos including many about the works of Bruce Lee the best known martial arts figure in the world **Black Belt** ,1996-03 The oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies In addition Black Belt produces and markets over 75 martial arts oriented books and videos including many about the works of Bruce Lee the best known martial arts figure in the world **Black Belt** ,1996-06 The oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies In addition Black Belt produces and markets over 75 martial arts oriented books and videos including many about the works of Bruce Lee the best known martial arts figure in the world *Black Belt* ,1994-07 The oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies In addition Black Belt produces and markets over 75 martial arts oriented books and videos including many about the works of Bruce Lee the best known martial arts figure in the world Black Belt ,1995-02 The oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies In addition Black Belt produces and markets over 75 martial arts oriented books and videos including many about the works of Bruce Lee the best known martial arts figure in the world The Secret Art of Pressure Point Fighting Vince Morris,2008-05-28 From a ninth Dan Master a guide to disabling anyone using minimal force with 300 step by step photos showing each vital point and strike Ancient martial arts legends tell of masters who possess a mysterious ability to defeat an opponent and in some cases even cause death with one perfectly

placed blow The Secret Art of Pressure Point Fighting transforms the myth into a modern anatomically based self defense technique that allows smaller defenders to defeat larger attackers by striking at the vulnerable points on their bodies Written by one of the world s leading authorities and clearly illustrated with photos of each pressure point this book shows how knowledge of the body s vulnerable points can enhance both competitive fighting and personal self defense skills T he Secret Art of Pressure Point Fighting doesn t teach theoretical strikes it presents the actual moves used throughout the world by military special forces and law enforcement agencies to disable opponents as quickly as possible The moves in this book are straightforward and easy to learn They are designed to empower anyone regardless of size or physical strength with the ability to stop an attacker using a minimal amount of physical strength **Black Belt** ,1996-05 The oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies In addition Black Belt produces and markets over 75 martial arts oriented books and videos including many about the works of Bruce Lee the best known marital arts figure in the world *Small Press* ,1994 **Pressure-Point Fighting** Rick Clark,2012-10-16 Supplement your martial arts skills with this expert guide to pressure point fighting Western students of Asian martial arts have long been haunted by the aching suspicion that something is missing from the arts they love and practice wholeheartedly something intangible but something so essential that its absence leaves an unbridgeable void For many that missing ingredient is a true and thorough knowledge of the body s vital points what they are where they are how to quickly find them under duress how to use them constructively or for destruction and how to recognize them in the kata hyung or forms they thought they knew so well In Pressure Point Fighting martial arts expert Rick Clark offers a systematic introduction to this knowledge and to the tools needed to ferret out more of this information from forms and techniques already in place knowledge and tools that are not dependent upon acceptance of the tenets of traditional Chinese medicine or modern Western medicine for that matter but which are based solely on open minded observation and willingness to try new or old approaches to martial arts training Pressure Point Fighting Rick Clark,2022-03-22 Learn the ancient knowledge of how the body s vital points the centers of the body s natural energy can be exploited to gain an advantage over your opponent in martial combat or self defense In this detailed guide to pressure point fighting martial arts expert Rick Clark describes how to target expertly placed blows which can defeat your opponent quickly and effectively He offers a systematic introduction to this knowledge and to the tools needed to recognize vital points in the kata hyung or forms already in place The lessons explain Where the body s vital points are located and how to strike them for maximum effect How vital points can be targeted most efficiently to successfully defend oneself How targeting vital points can be used in conjunction with traditional martial arts to help meet a variety of threats With 230 photos and 25 detailed charts Pressure Point Fighting teaches that success in this discipline is not dependent upon acceptance of the tenets of traditional Chinese medicine or
