Advanced Sublunary Inception Would Survive:

Advanced Sublunary K. J. Spivey, 2015-12-07 What will you do when the world changes for the worst Would you go along with the crowd and follow orders because society wants to control everything you do everything you say Or will you fight for the loved one s you may have lost to the circumstances Fight for your god given right to live the life you were destined to live Maybe you don t know you can t answer that question until you re forced to make that decision Sean is a twenty year old college student who is having one or the worst days ever tension with his step dad the stress of basketball tryouts and failing grades are just the beginning The country is also in the midst of going to war with rival countries over what appears to be nonsense He decides to go to a friends house to unwind and play video games Their relaxation quickly turns frantic when unexplained explosions rock the neighborhood A phone call from his friends dad who is stationed on a military base turns weird when he demands for them to get down into a unfinished bunker for safety After spending days inside they emerge from the bunker and quickly find out that the world is a different place It is evident that the war has started but they can not listen to things the so called leaders of the world have told them Nothing makes sense as they find out they have to survive on their own It is now a new world an advanced sublunary This is inception
