discussions of work on Marx and Marxism Adventures in Marxism Marshall Berman,1999 Delightful informative essays inspired by Marx **Adventures in Marxism (book Review)**. ,2001 Marx for Our Times Daniel Bensaïd,2020-05-05

The end of Soviet Socialism signalled to some observers that the ghost of Marx had finally been laid to rest But history s refusal to grind to a halt and the global credit crisis that began in 2008 have rekindled interest in capitalism s most persistent critic Written during the mid nineties a period of Western complacency and neo liberal reaction Marx for Our Times is a critical reading of dialectical materialism as a method of resistance Without denying the contradictory character of Marx s thought and with a sensitivity to the plurality of theories it has inspired Daniel Bensaïd sets out to discover what in Marx remains dynamic and relevant in our era of accelerating economic change Marx s theory emerges not as a doctrinal system but as an intellectual tool of social struggle and global transformation in a world where capital continues to dominate social relations Adventures in Marxist Theory Douglas Kellner,2025-08-20 Adventures in Marxist Theory provides an

introduction and overview of Marxian theory to demonstrate its contemporary relevance to social and political theory and a range of disciplines from philosophy to economics in both the humanities and the social sciences The text argues that current historical developments and the evolution of economics politics society culture technology and everyday life demonstrates the contemporary relevance of Marxism in both theory and politics in the contemporary era The book presents a twenty first century Marxism relevant to theorizing contemporary state capitalist and technological societies critically dissecting their major social and political issues and problems while advancing progressive social transformation in the interests of increased democracy and social justice The volume opens with an Introduction describing a multi disciplinary and critical approach to Marxism and its application to a wide range of contemporary issues including the alienation of labor in the workplace social divisions and injustices such as classism sexism racism and homophobia and questions of technology social media and AI as well as problems of ecological crisis autocracy and state oppression Specific chapters address the Marxian critique of capitalism and theory of socialism its concept of ideology and morality its methodological synthesis of social science critical theory and its analyses of globalization technology and democracy Written by a distinguished scholar of Marxism critical theory and cultural and political studies the volume will be a key resource for instructors students and readers in historical and contemporary sociology social and critical theory political sociology political and cultural studies and Marx and Marxist studies Adventures of the Symbolic Warren Breckman,2013-06-04 Marxism s collapse in the twentieth century profoundly altered the style and substance of Western European radical thought To build a more robust form of democratic theory and action prominent theorists moved to reject revolution abandon class for more fragmented models of social action and elevate

the political over the social Acknowledging the constructedness of society and politics they chose the symbolic as a concept powerful enough to reinvent leftist thought outside a Marxist framework Following Maurice Merleau Ponty's Adventures of the Dialectic which reassessed philosophical Marxism at mid century Warren Breckman critically revisits these thrilling experiments in the aftermath of Marxism The post Marxist idea of the symbolic is dynamic and complex uncannily echoing the early German Romantics who first advanced a modern conception of symbolism and the symbolic Hegel and Marx denounced the Romantics for their otherworldly and nebulous posture yet post Marxist thinkers appreciated the rich potential of the ambiguities and paradoxes the Romantics first recognized Mapping different ideas of the symbolic among contemporary thinkers Breckman traces a fascinating reflection of Romantic themes and resonances and he explores in depth the effort to reconcile a radical and democratic political agenda with a politics that does not privilege materialist understandings of the social Engaging with the work of Claude Lévi Strauss Cornelius Castoriadis Claude Lefort Marcel Gauchet Ernesto Laclau Chantal Mouffe and Slavoj Žižek Breckman uniquely situates these important theorists within two hundred years of European thought and extends their profound relevance to today's political activism [Marxism and Totality](#) Martin Jay, 1984-01-01 [The Adventures of the Communist Manifesto](#) Hal Draper, 2019-12-17 A new definitive translation of the Karl Marx and Frederick Engels Communist Manifesto by American socialist luminary Hal Draper
